Hastings County Requisition To Village Approximately \$7,000

Council Grants I.O.D.E. Permission For Tag Day In Interests of Navy League

Stirling taxpayers will be required to pay \$7,085.43 in County taxes for 1953 according to a requisition tabled from E. Denney, County Clerk, at Monday night's regular meeting of the Village Council. Reeve R. K. West presided and Councillors G. Bradshaw, H. Philip, E. G. Bailey and C. A. Wells were in attendance. This amount is made up of an expenditure of \$3031 for county roads, \$3,789.20 for general purposes and \$265.23 for the County Home debentures.

Permission For Tag Day

The Hon. J. R. Cooke Chapter of the I.O.D.E. wrote Council seeking permission to hold a Tag Day on Saturday, June 20th, in the interests of the Navy League. The request was granted on motion of Councillors Wells and Bradshaw.

A communication from R. W. Meiklejohn, secretary of the Public School Board, conveyed the information that the Board's requisition to Council was \$3750.

Dept. Cuts

A letter from the Ontario Department of Highways pointed out that the Department had approved an expenditure of only \$4500 on Village Streets in 1953, whereas Council had passed a by-law for \$7000 expenditure. No reason was given for the cut.

Reeve West reported on a meeting of the Reeves and Deputy-Reeves of the Centre Hastings High School Area held at Madoc on Friday last at which the matter of assessment was again discussed. Failure to reach a decision on the matter resulted in a motion that the former equalized assessment be used for 1953. However, it is understood that some of the municipalities are considering an appeal before the Ontario Municipal Board.

Grant License For Billiard Room

Bert Jones made application to Council for a license to operate a billiard room in conjunction with a General Farm Supply business he proposes to operate in the Empire Block in the premises formerly occupied by Elliott Farm Equipment. Council agreed to grant the license.

Reeve West introduced the matter of painting the roof of the Public Library and after discussion the property committee was authorized to have the work done.

A general discussion ensued on needed repairs to Village streets and the installation of culverts and Reeve West was authorized to have the County Engineer inspect the various spots needing repairs.

An enquiry from Councillor Wells elicited the information that the Department of Highways had gravelled a portion of the parking lot on the corner of Church and Emily Streets.

Councillor Bailey spoke of the untidy condition of the park on the south side of Mill Street opposite the Presbyterian Church and action will be taken to have the poles, tree, etc., removed.

Following are the accounts passed for payment: Bell Telephone, \$7.75; News-Argus, \$8.00; Harry Jones, \$41.75; N. Wannamaker, \$3.75; Foster Wannamaker, \$12.75; F. R. Mallory, \$1.96; Ernest Friars, \$5.63; Wm. Bowen, \$21.75; J. A. Hamilton, \$6.75; Bill's Garage, \$1.85; McIntosh & Wells, \$9.25; Stirling Feed Co., \$5.00; Stirling Welding Co., \$22.00; G. B. Faulkner, \$20.00; Brunner Mond Canada Sales, \$264.00; Roy Irwin, \$6.00; J. C. McGee, \$12.60; Haggerty's Transport, \$8.00; C. E. Hickey & Sons, \$265.50; Geen's Taxi Service, \$6.00; J. J. Turner Co., \$28.67; Co of Hastings, \$30.00.

Thos. Webb Bereft of Brother

Thos. H. Webb, of Bonarlaw, received word of the death of his brother, Edward Webb, of Saskatoon, Sask., on April 28th. He was in his 80th year and had suffered from heart trouble for some time.

He leaves to mourn besides his brother, his wife Mabel, daughter of the late Mr. and Mrs. C. D. Wiggins, of Springbrook, and three grand-children.

Boy Scout Paper Drive

Saturday next, May 9th, Stirling Boy Scouts will collect waste paper in the Village and residents are urged to save it for them.

The sale of paper augments the funds of the Scouts and by having your bundles ready for the boys you will make a contribution to a very worthy organization.

Your co-operation will be appreciated.

Has Operation

A. O. Dalrymple, local Agricultural Representative, underwent an appendectomy in Belleville General Hospital on Saturday. Friends will be glad to learn he is progressing well towards recovery.

Grass Fire

Members of the Fire Brigade were called to extinguish a grass fire on a lot owned by Mrs. C. H. David on the west side of John St. on Monday afternoon. Two small boys are said to have started the blaze, which threatened a barn on the property of C. Tummon.

Car Turned Upside Down

Three persons escaped with only minor bruises when a Ford car, driven by Robert Purcell, of Kingston, turned over on Highway No. 14 at the 8th Concession of Sidney Township, a short distance south of this village. The driver claimed the car hit a bump and went out of control, taking the ditch and hitting the fence on Percy Craighead's farm.

Men's Commercial Bowling League

A reorganization meeting of the Men's Commercial League was held at the Bowl-O-Drome on Tuesday night.

F. Clare was chosen president for the coming year, with R. McCullough, vice-president; Doug Radner, secretary, and S. Armstrong, treasurer.

Following the meeting a social hour was enjoyed with Mrs. W. Dingman serving refreshments.

The winners of the play-offs in the League were Bill Webber's "Hastings" team, with the Bowl-O-Drome in second place.

High average for the season went to Doug Radner; High triple, Stan Royle and High single, Bob Jeffrey.

Public School Defeats Minto

In the first ball game of the season, a team representing Grades 7 and 8 in Stirling Public School defeated Minto on their home diamond on Friday afternoon. The final score was 27 to 6.

The locals got away to a good start with seven runs in the first inning and eleven in the second. They added four in the third, one in the fourth and four in the fifth.

Don Brady did the pitching for Stirling, with Doug McIntosh behind the plate, while Mayo and Clements were the battery for the losers.

The line-ups were as follows:

Stirling - Doug. McIntosh c; Don Brady, p; Doug. Harding 1b; G. Unick, 2b; Ralph Gay, 3b; Dale Green, ss; Alan Bird, cf; R. B. Ingram, rf; John Ray lf.

Minto - G. Heagle, 3b; Broadworth 1b; P. Heagle, ss; Clements, c; Mayo, p; Farrell, 2b; J. Hagerman, rf; G. Hagerman, lf; L. Sine, cf.

At the close of the game, Minto Grade 7 and 8 girls served a very delicious lunch in the schoolhouse. Rose-Anne Vandervoort, of Stirling, expressed a word of thanks to the hostesses, to which the teacher, Gordon Reid, replied with kind words.

Pupils of Room 6 wish to say thanks to Mesdames Ray, Vandervoort, Stirling, and to Father Lamarske, for driving cars.

OBSERVE FORTIETH ANNIVERSARY

Mr. and Mrs. Louis Rodgers celebrated their 40th wedding anniversary on Friday, May 1st, when they were at home to about 75 friends relatives and neighbours. They received many cards, telegrams, letters and telephone calls of congratulations. Their three sons, Don and Walter of Stirling, and Frank, of Belleville, were present, but a daughter, Mrs. Ross Brown, of New Liskeard, was unable to be present.

During the evening a short program was enjoyed when the couple were the recipients of a substantial gift of money and miscellaneous gifts.

82 YEARS YOUNG

Congratulations are extended to Mr. C. Tucker, of Harold, who observed the 82nd anniversary of his birthday on Wednesday. Members of his family gathered at his home Wednesday evening and tendered him a party.

KITCHEN SHOWER FOR BRIDE-TO-BE

On Wednesday, April 29th, Miss Mary Agnes Fox was hostess at a well-arranged kitchen shower in honour of Miss Jean McIntosh, a bride-to-be of the month. The guests included the girls from the office of the Industrial Acceptance Corporation, Belleville, where Miss McIntosh is employed.

The evening was spent in contests and the preparation of a bride's scrap book. Much merriment was provoked by the breaking of several balloons, in which there were verses providing clues to the hiding places of the numerous gifts. Miss McIntosh very graciously thanked her friends for their gifts after which dainty refreshments were served and a social hour enjoyed.

Mr. and Mrs. Harold Bird and sons and Mrs. S. Bird spent Sunday at Niagara Falls.

Thieves Active Three Break-Ins

Petty thieves were active in the Village on Monday night when three local garages, McIntosh & Wells, Edwin Warren's and Stapley's Auto Service were broken into. Only a few small articles and some change were taken at the first two, while nothing was missed at Stapley's. Entry was gained in all instances by jimmying a door.

Legionnaires At Tweed

Seven members of Stirling Legion attended the annual meeting of District "F" of the Ontario Command in Tweed on Sunday, with 180 legionnaires from the district attending.

Jack Burnet, mayor of Cobourg, was re-elected for a two-year term as district commander and James Lovell, of Oshawa, deputy district commander.

Attending from Branch 228, Stirling, were Ross Kirn, Ray Tanner, Stan Royle, Herb Stewart, Maj. Fraser, Jas. Wanamaker and F. Houchin.

Rebekahs Visit Belleville Lodge

Forty members of Laurel Rebekah Lodge, No. 211, of Stirling, journeyed by chartered bus to Belleville on Tuesday evening.

They were guests of Quintena Lodge on the occasion of a special visit of Mrs. Caroline Cutler, president of the Rebekah Assembly of Ontario. Crescent Lodge, Thomasburg, conferred the degree on two candidates in a most impressive manner.

Laurel Lodge, No. 211, under the direction of Mrs. John L. Good, Noble Grand, were in charge of the closing exercises, after which a sumptuous banquet was served.

Fraternal Visit

Several members of Stirling Lodge, No. 69, A.F. & A.M., visited Moira Lodge, Belleville, last night on the occasion of the official visit of Rt. Wm. Bro. J. W. Anderson, D.D.G.M. of Prince Edward District. Those attending from here were Messrs. James Johnston, Leslie Finkle, D. Hollinger, Harry McMullen, J. L. Good and R. E. Fox.

News Omitted

Owing to a last-minute rush of advertising several news budgets from our correspondents as well as an account of the convention of the Sidney-Trenton C.C.E. and an article concerning the entry list for the Stirling Festival of Sacred Praise have been omitted. These will be published in next week's issue.

Home of Mrs. R. B. Duffin James St., Is Artistically Decorated For Occasion

Over 100 ladies from town and country gathered at the spacious home of Mrs. Roy Duffin, Stirling, on Thursday for the Coronation Tea, sponsored by the ladies of Laurel Rebekah Lodge No. 211, Stirling. Visiting members were in attendance from sister lodges at Belleville, Thomasburg and Madoc, with a large number of ladies from the town and surrounding countryside.

Beautiful baskets variegated sweet peas were used as floral decorations in the spacious drawing room and on the buffet.

The hostess, Mrs. Roy Duffin and the Noble Grand, Mrs. John L. Good, graciously welcomed the guests as they arrived. They were entertained in the drawing room with piano music provided by Mrs. Ray Shortt, Mrs. Harry Morrow and Mrs. Harold Elliott.

The guests were invited to the tea room by Mrs. Albert Wells and her assistants and the financial treasures were Mrs. H. Mumby and Mrs. Don Heath.

The tea table was most attractive with a galaxy of silk flags in a unique setting flanked by tri-branched silver candleabra laid on an embroidered damask cloth. At one end was placed the silver tea service with its accompaniment of dainty china and trays of food. The serviettes were also in coronation design.

The tea room hostess was Mrs. Walter Elliott and those who presided at the silver service for each half hour were Mrs. Margaret Geen, D.D.P., of Thomasburg; Mrs. Earl Fox, Mrs. E. G. Bailey and Miss Gene Spry of Laurel Lodge.

Those who served during the afternoon at various intervals were Mrs. Harold Wells and Mrs. Charles Davidson; Mrs. Douglas Clancy and Mrs. Harry Vandervoort; Mrs. Albert Fraser and Mrs. Roy Eggleton; Mrs. Burton Woodcock and Mrs. Mrs. Burton Woodcock.

Mrs. R. A. Patterson, assisted by Miss Marion Carlisle and Mrs. G. Bradshaw, replenished the attractive plates of sandwiches with red strawberries, yellow spiced cheese, crab apples and a large tray of radish, celery, cucumbers and olives.

The trays of cookies were of the one-bite variety in a selection of both the macaroon and rolled concoctions with coronation trim.

Mrs. Mabel Megginson and Mrs. S. J. Elliott were in charge of kitchen duties and the tea was well made and greatly enjoyed.

Variety of Foods

In the spacious front porch, a home-cooking sale was conducted under the leadership of Mrs. Percy Utman. She was assisted by Mrs. Arthur Vandervoort, Mrs. Edward Heasman, Mrs. F. Jeffrey and Mrs. Fred McDonnell.

A gorgeous angel cake bedecked with swaths of mauve and white icing was donated by Mrs. Walter Elliott and the lucky winner was Mrs. Heyworth, of Madoc.

The afternoon was a decided success financially and the conveners are to be congratulated on their well-arranged coronation tea which was most successful and a credit to those who gave both time and effort in order that the event might be successful.

The officers and members of Laurel Rebekah Lodge No. 211 are grateful to all who participated in its arrangement and success.

Mrs. W. T. Elliott 1st Vice President Bay of Quinte Conference W. A.

The second annual meeting since organization of the Bay of Quinte Conference Woman's Association of the United Church of Canada was held in George St. United Church, Peterboro, on Friday of last week. Representatives were present from seven Presbyteries, Belleville, Kingston, Lindsay, Oshawa, Peterborough, Renfrew and the newly organized Presbytery of Cobourg and Port Hope.

President, Mrs. J. M. Wood, of Belleville, opened the meeting with all singing "Let the beauty of Jesus be seen in me." Reports of progress were given by Presidents of the Presbytery Woman's Associations. A solo, "I walked today where Jesus walked" was beautifully given by Mrs. M. Davison, of Belleville.

A resume of literature available was given by the Conference literature secretary, Mrs. H. Ives, of Bowmanville. Speaker of the morning was Mrs. M. A. Fisher, of Brooklin, a

graduate of the United Church Training School of Toronto. She based her talk on "Thoughts on the Royal Coronation."

At the lunch hour, served by the ladies of George St. United Church, Peterboro, Mrs. Wood reviewed the work accomplished in the two years since organization.

Kingston Presbytery led the afternoon devotional and Mrs. A. A. Crowley, of Oshawa, sang a solo, "Lilies of the Field." Mrs. Fred Horton, of Peterboro, gave an inspiring report as visiting convenor of the Presbytery. Speaker was Mrs. R. W. Middleton, of Bayside, Belleville Presbytery, and her topic was "Christian Stewardship."

Feature of the programme was the presentation ceremony of life memberships to nine past presidents of the George St. Church W.A.

The new officers elected and installed are:

Mr. Hogan, a native of Windsor, Ontario, joined the Corporation in 1925 and for the past several years has served as assistant secretary and assistant treasurer.

May 6th and 7th are the dates for the Annual Diocesan Rally of the Woman's Auxiliary in Kingston. All delegates are expected to attend for the two days. All ladies are invited to attend the meetings. A special Missionary will speak on the Wednesday evening meeting.

The Synod of the Diocese of Ontario will meet on May 12th and 13th. A quiet day for the Clergy will be held on Monday afternoon, May 11th, when the Rev. Stanley Andrews, of Mount Royal, will be the conductor.

May 14th is Ascension Day, one of the great festivals of the Church. Holy Communion will be celebrated at St. John's at 8:15 a.m.; at Glen Miller at 9:30 a.m. and at Frankford at 10:30 a.m.

On May 31st Sunday, there will be a Thanksgiving Eucharist in St. John's Church at 10:30 a.m. instead of at 11:00 a.m. This will give more time to those who intend to go to Kingston for the great Mass Service at 7:30 p.m. in the Community Centre. Tickets for this are now on hand and will be good until 7 p.m. A choir of a thousand voices will sing specially written music for the occasion. The Bishop expects that each parish will be well represented on that day.

Ford Plant At Oakville Starts Production

At 3:45 o'clock (D.S.T.) Monday afternoon, May 11th, the first car will drive off the assembly line at Ford of Canada's new plant at Oakville, Ontario, signalling the start of production for Canada's newest industrial giant.

Although no large public ceremony is planned, a number of civic officials from the area will be present including the reeve, councillors and township officials of Trafalgar Township; the mayor, councillors and officials of Oakville; the warden and clerk of the County of Halton and the member of parliament and the legislative assembly from the County of Halton. Representatives of the press will also be present.

Start of the Oakville assembly line operations in the 32½ acre plant marks the completion of one stage in Ford of Canada's huge expansion programme. The other stage is the enlargement and modernization of manufacturing facilities at Windsor to keep pace with the capacity of the Oakville plant. Cost of the total expansion programme has been estimated at \$65,000,000, approximately half for the Oakville plant and half for new facilities in Windsor.

The build-up of production at the new plant will be gradual as Ford Oakville first takes over the assembly of cars, then the trucks. Installation of the truck assembly lines will proceed in one part of the plant while passenger cars are being built in another section. Step by step, with as little production interruption as possible, assembly operation will be moved from Windsor and, as fast as space is vacated in the Windsor plants, new manufacturing equipment will be installed to raise the overall production capacity of the company.

Embodying the latest in Industrial architecture the Oakville plant will be,

almost smokeless, noiseless and odourless. The interior of the plant has been designed both for production efficiency and the comfort of employees. The major construction job in the interior of the plant was the installation of the immensely complicated automobile assembly lines. The operation of the entire plant — the largest industrial plant under one roof in Canada — must be co-ordinated so that the right part reaches the right car at exactly the right moment. To supply the needed power, more than 300 miles of wire and high tension cable and a score of transformers have been installed.

A three-quarter mile race track could be laid out inside the building — and still leave plenty of room for thousands of spectators. Or you could put 14 Maple Leaf Gardens on its roof. More than 8,000 tons of steel went into its construction. It used more than 50,000 cubic yards of concrete; 250,000 square feet of aluminum siding; more than 1,000,000 bricks; and more than 2,000,000 man-hours of labor. The building is 1,760 feet in length (1-3 of a mile) and 800 feet wide, or close to 1,270,000 square feet of floor area.

When in full production the new plant will employ about 4,000 people.

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

We congratulate Sup't J. G. Demeza, the staff and pupils, and especially Director S. Alex Gordon of the Ontario School for the Deaf on the presentation of "Rumpleslitskin" and "Canadiana" recently. Too few of our citizens are familiar with this fine school. Open house and visitors day will be marked Wednesday, June 3rd, afternoon and evening.

Mother's Day

A special order of service has been printed for St. Paul's and Carmel for next Sunday, May 10th. The Sacrament of Baptism will be observed. It is expected that three or four infants with their parents and grandparents from Toronto will be here to dedicate their offspring with those from Stirling and district at St. Paul's at 11:00 a.m. The Carmel Service will follow Sunday School at 3 p.m.

Caravanning

The Board of Christian Education of the United Church is again sponsoring Caravans — youth leaders to assist local churches. (1) In the Vocational School. (2) A work job. (3) Organizing youth groups. (4) A survey project. This movement is full of promise. Mrs. (Rev.) R. R. Bonsteel, of Stirling, is a member of the National Council. Mrs. Bonsteel will be pleased to receive and answer enquiries.

Mid-Village

Last Wednesday week the Cottage Meeting was held at the home of Mrs. C. Hatton, Front St. Elders J. L. Good and F. C. Bateman were supported by a fine company of residents and friends. The speaker was Rev. W. S. Irwin who used an improvised pulpit reminiscent of pioneer days.

Elder J. L. Good presided. Elder F. C. Bateman read the Lesson and the Minister offered prayer. Two duets "God Will Take Care of You" and "Whispering Hope" were sung by Janet Ann Good and Janet Reynolds and Mrs. I. Thain and Mr. E. Reynolds, respectively.

Sparks From The Speaker's Anvil

"The New Testament is the flower of the Old — the roots are there."

"The inspiration of the spirit is needed in the reading of the Scriptures."

"Christ fulfills all that is represented by ancient sacrifices."

"Jesus suggested gratitude even in the sacrifice of bread and wine."

"Do not grumble where you are best served — in the home."

"A mother and father are in the place of God before their children. If parents fight what kind of an idea of God will their children get?"

"You can't tie a dog and a cat together and expect them to agree for long. What kind of love produces 5,000 divorces in one year?"

Pressure

No one need be a victim of a habit that harms him.

A bad habit is hard to shake off. Prayer brings deliverance.

Mr. Irwin closed his fine message by singing a gospel hymn. A small portable organ was used throughout the meeting. Tasty refreshments were enjoyed after the benediction.

This week's meeting was held in the "Brooklyn" District at the home of Mrs. C. H. David with Elder Harold Hagerman presiding. Next week we accept the hospitality of Rev. and Mrs. Bonsteel. Elders W. L. Fox and J. L. Good are in charge of this meeting.

Sunday, May 3rd

Special music included "The Flower Carol" by the Royal Choir; "An Old Legend" by Miss Rose Ann Vandervoort; "The Fir Tree" by Ralph Carlisle; "A Spring Prayer" by Miss Jeanette Ayrbart; "Calm as the Night" (duet) by Mrs. Walter Warren and Wm. Aylsworth; "Leave it With Him" by Harold Hagerman and the Senior Choir "Consider and Hear Me."

Birthdays

Happy Birthday was sung at St. Paul's Sunday School for Miss Evelyn Lancaster and Ronnie Reid,

Wear A Flower

Every member of the congregation is invited to share in the observance of Mother's Day. A gift may be made to the Endowment Fund; a large print hymnary or Bible provided for the church; a set of pins or gift to the Festival of Sacred Praise; a donation to the Window Fund at Carmel. In addition if mother has entered her eternal rest it is customary to wear a white flower in her loving memory; if she is living to wear a coloured flower. One of the first associations is to go to church with her or in her hallowed memory.

Sympathy

The sympathy of St. Paul's and Carmel is extended to Mrs. J. Sager, of River Valley, recently bereaved by the death of her father.

Centennial News

The Year Book has gone to press. It is hoped that copies will be available by May 20th. The rule first come, first served. Order now and avoid disappointment when the supply is exhausted.

The United Churches of Belleville are preparing for "Belleville Night," June 7th. All Belleville United Church Ministers will have parts in the service. The joint choir will be under the direction of Mr. Alex Gordon of Bridge St. Mr. Don Williams is in charge of general arrangements.

Word has been received that Frankford is making ambitious plans to embrace Zion, Stockdale, Batawa and Frankford for Sunday evening, June 28th.

Baptisms

Parents and guardians with children for dedication to God in baptism are invited to advise the Minister or Clerk of Session so that the baptismal certificates can be prepared for administrations both at St. Paul's and Carmel.

Congratulations

To Mr. and Mrs. Robert Philip on the arrival of their firstborn. May God richly bless them.

Miss Carolyn Belcourt has joined the battery of budding Sunday School pianists. She played very nicely last Sunday. The progress made by this company of young musicians gives promise of a full supply for Woman's Associations and Auxiliaries; Sunday Schools, Farmer's Groups and public

gatherings in the future.

We would recommend that all Churches afford opportunities for student pianists to play as a part of their training in the service of the Lord. Indeed church pianos should be made available for practice when not otherwise required for ambitious students who are without pianos.

More Boys Needed

The girls are doing splendidly. We need more piano playing boys. Some to follow up the fine example and record left by Tom Patterson.

Play Field at R.V.

We would respectfully suggest that the School Board of the River Valley take steps to acquire additional school grounds. The present grounds are sub standard and the pupils cannot enjoy a decent ball-game. A community playing field adjoining the school might be secured which could be used not only by the school but for community sports, picnics, etc.

First Congregations

In Stirling (Rawdon)

Records indicate that the Rawdon Baptist Church was the first to serve this area. It later had branches at Sine's Settlement and at Hubble Hill (Mount Pleasant). This first church was officially organized June 6th, 1806 in the home of Samuel Rosebush in the 2nd Concession of Rawdon Township. This Baptist work was officially disbanded in the home of Jonathan Spencer Chard (father of Clarence of River Valley). October

**29th, 1914.
Wellman's First Settler**

Thomas Wellman was the first settler at Wellman's Corners. Daniel Mack purchased west half of Wellman's Lot no. 19, Concession 6, Jan. 16th, 1828 and was the second settler at Wellman's. A few years later the Sine family came in and established the Sine Settlement. Daniel Mack was the step father of Nehemiah and Barce Hubble. He lived on Lot 19, Con. 3 many years before moving to Wellman's.

Stirling Girls Club

The third meeting of the Tasty Teasers was held on Friday, April 24th in the Agricultural Room, with ten girls in attendance.

The meeting opened with the roll call which was answered by a menu. President Patsy Donohoe was in charge.

The Assistant Leader talked on the cover for the record book and it was decided to have uniform covers.

The leader led a little quick quiz about milk and vitamins and then showed some points on how to make attractive salads. She also demonstrated the cutting and preparing of grapefruit.

The home assignment was read by the assistant leader and the meeting was adjourned by Joanne Heasman.

April 29th Meeting

The fourth meeting was held at the

Plant Chunky Potato Pieces

Don't slice those potato-seed pieces too thin! That's the advice of Bob Keith, C.B.C.'s Ontario Gardener.

Talking about potato planting in a recent Sunday-morning broadcast, Bob said: "When making the cuts, don't just slither off thin pieces, but cut them in a nice chunky or block shape, from one-and-a-half ounces to two-and-a-half, with one to three eyes. In this way, you'll provide more food and moisture for the development of the young sprout. You see, the sprout has to depend on the food in the piece of potato until the roots get established."

Hello Homemakers! Party sandwiches are like spring hats — the prettier they are, the better we like them. Yet, whether plain or fancy they should taste as good as they look — sandwiches, we mean!

You can use your fancy cookie cutters to shape open-face sandwiches. Day-old bread should be sliced about 1/3 inch thick, then spread with moist filling. Butter isn't necessary for such items as diamond shapes covered with creamy-chopped egg filling and garnished with 3 crisp radish slices. Two toppings for star-shaped pieces are lobster paste with the edges dipped in minced parsley; the second might be creamy cheese garnished with a slice of olive. Round pieces of buttered bread usually sport a slice of tomato with a dab of mayonnaise and a tiny sprig of parsley or a slice of cooked egg and then a slice of gherkin. When the club or clover-shaped cutter is used, open a tin of chilled cranberry jelly; slice, and cut each jelly with the same cutter, place on bread and sprinkle with chopped nuts.

Pinwheels are easy when you slice the loaf lengthwise with a really sharp knife. Place the slice on a steaming hot moist cloth as it is spread with peanut butter, cheese, egg or ground of stuffed olives or a quarter of banana or small gherkin; then roll up ham filling. At one end place a row and place each roll in a square of wax paper and wrap. Slice at serving time. Another idea is the placement of carrot or gherkin match-size pieces

at 2-inch intervals on the filling, then roll up and chill.

Ever made checkerboards? The best filling is creamy cheese — plain, relish or pimento. Cut day-old bread almost 1/2-inch thick (two slices white, two slices brown) trim, then put alternate slices of brown and white bread together with cream cheese, to make ribbon sandwiches. For checkerboards, pile 4 ribbon sandwiches together so a brown strip lies over a white one. Spread with cheese filling again. Wrap in wax paper and chill before slicing. These, too, should be sliced just at serving time.

Be sure to make roll-ups which are easily stored in the crisping pan and ready to place on serving plate. Start with a thin square of fresh bread, place pieces on steaming, damp cloth and spread each with butter, creamy cheese or margarine. Roll around a stalk of cooked asparagus or a pencil-size piece of steamed pineapple. Secure each with toothpick. For cala lilies, fold opposite corners over slivers of green peppers. Press overlapping edges firmly together.

Toasted bites are either served on broiled pieces of bread or in bouchees. On strips of toast (1" x 3") or shells, use creamed shrimp, hot cheese, chopped beans and bacon or chicken a la king filling. Perhaps the plain sandwich of squares of bread with lots of filling is the favourite and of course there's no waste. Even caterers are leaving crusts on rye or caraway seed bread for plain sandwiches served at parties. Various fillings include grated raw carrot and marmalade, dates and peanut butter, ham, tuna, minced weiners, cooked sausages, egg and ripe olives, sardines and cooked liver with chives. All mixtures should be chopped or ground, moistened with mayonnaise or French dressing and seasoned with salt and pepper.

TAKE A TIP

- If you cannot buy day-old bread for rolled sandwiches, chill the loaves in the refrigerator for 2 hours.
- Buy well-shaped loaves of bread, slice using see-saw motion.
- Lime-up slices of bread, in pairs, on cleared work space. Use butter or margarine that has been creamed well, using a wooden spoon. Spread all slices of bread for one kind of filling at one time.
- Prepare sandwich fillings in advance. Spread fillings to the edge using a spatula.
- Stack 2 or 3 sandwiches and cut them all at once with a sharp bread knife.
- Wrap several sandwiches together but do not mix flavoured ones to prevent odors from mingling.

FAVOURITE FILLINGS

Chicken Salad: Combine 1 cup of chopped chicken, 1/2 cup chopped celery, 1/2 tsp salt and 2 1/2 tbsps mayonnaise. Makes 1 1/2 cups.

Pear-Shrimp: Combine 1 cup minced canned pears, 2 cups chopped shrimps, 1/2 cup lemon juice and 1 cup mayonnaise. Makes 4 cups.

Apricot-Walnut: Put through food chopper 1 cup dried (pliable) apricots, 1/2 cup walnuts and moisten with 1/2 cup mayonnaise. Makes 1 1/2 cups.

Orange Cheese: Mash 1/2 lb. cottage cheese with 1/4 cup orange juice, 1 tbsp. grated orange rind and add 1 tbsp. slivered candied peel.

Scottish Moderator To Participate In Coronation

That the Church of Scotland will participate officially in the Coronation of Queen Elizabeth II, on June 2nd, was announced by the Archbishop of Canterbury, Dr. Geoffrey Francis Fisher.

Dr. Fisher said that the Moderator of the Assembly of the Church of Scotland, the Right Rev. G. F. Jeffrey, will hand the Bible to the Queen, immediately after she has taken the oath. In explaining the new departure, Dr. Fisher said:

"The Oath refers to the two Churches in the United Kingdom — the Church of England and the Church of Scotland — whose position in regard to the State is established by law. These are the only two Churches whose position is thus specially recognized and to whose protection the sovereign is committed by declaration and oath."

"While these two Churches are separated by differences in doctrine, worship, discipline and government — one being an Episcopal Church and the other a Presbyterian Church — they both equally regard the Holy Scriptures and appeal to them."

"It has, therefore, seemed altogether right and fitting that both Churches should be associated, through the Archbishop of Canterbury and the Moderator of the General Assembly of the Church of Scotland, in presenting the Bible."

As the Moderator hands the Bible to Queen Elizabeth, Dr. Fisher will say, "Our gracious Queen, to keep Your Majesty ever mindful of the law and the gospel of God as the rule for the whole life and government of Christian princes, we present you with this book the most valuable thing that this world affords."

Then, Dr. Fisher said, the Moderator will add:

"Here is wisdom; this is the royal law; these are the lively oracles of God."

Representatives of many denominations will be allotted seats at the Coronation ceremony and some of these will walk in the procession. But the Anglican Primate said, "it would be ridiculous if all churches were given a little bit to do in the service."

Governor General To Open Plowing Match

F. A. Lashley, Secretary-Manager of the Ontario Plowmen's Association, announced that the Governor General, Hon. Vincent Massey, would officially open the 1953 International Plowing Match on October 6th, at 2 p.m.

The Match, which this year will include a "World Match Class" featuring entries from many countries, will be held on the Counties Home Farm, on the outskirts of Cobourg, Durham-Northumberland Counties.

Already there are indications that this year's Match will be larger than ever and that large crowds will be in attendance during the four days of October 6th to 9th.

What To Look For In Seed Grain

The most essential factors to be looked for in seed grain are adaptability, vitality and purity, advises H. A. Riordan, Assistant Technician at the Experimental Farm at Napan, N.S.

The variety should be one which is recommended for the district concerned, he says.

It is important to use seed which has high germination, and proper management on the part of the grower is extremely important. Immature grain often heats and moulds in storage, thus lowering germination and such grain should not be used for seed purposes. Underdeveloped, diseased or frost-killed kernels also germinate poorly and should be removed. Modern equipment is available in most areas and capable of removing most of the undesirable kernels, straw and weed seeds.

It is a wise practice to select the best area in the field for the next year's seed grain. The threshed seed crop should be given storage preference.

When purchasing seed grain every effort should be made to obtain the best grade available. The small extra cost insures a much higher quality seed.

Wise and experienced growers find little fault with the statement that "The crop which is harvested will be no better than the seed which is sown."

Canadian life insurance companies carry on business in more than 50 other countries.

Crown Land
Tree Planting
Programme Underway

Two tree planting projects on Crown Land in North Hastings got underway during the week, with three ladies joining the crew of sixteen local residents supervised by foreman Archie Harvey. 17,000 Red Pine are being planted near the Conroy Marsh and 20,000 being added to plantations north of McArthur's Mills.

According to Zone Forester W. E. Edwards, survival should be high this year, with weather much more favourable for planting than last season.

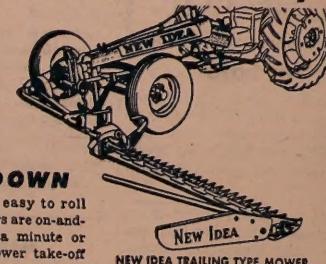

Fish Distribution Keeps Hatchery Staff Busy
Distribution of speckled trout year-

lings is the big project these days at the White Lake Fish Hatchery. 79,000 little trout were planted during the week in suitable lakes and streams in the vicinity of Calabogie, Black Donald, Combermere, Palmer Rapids, Griffith, Denbigh, Cloyne, Northbrook, Flinton, Tweed, Thomasburg and Roslin.

Ponds at the hatchery are being cleaned as soon as the trout are removed, ready for small mouth bass breeding stock. Considerable slime and algae developed in the ponds this year probably because of open winter conditions.

At Glenora, the fish hatchery staff assisted by Conservation Officers have distributed and planted some 90 million eyed pickerel eggs in suitable areas this spring, which is believed to be a record production.

"JUNIOR JUMBLE"

News of Interest to Hastings 4-H and Junior Farmer Clubs
(By J. Allen Francis)

Hastings Delegates
Attend Conference

Twenty-one Junior Farmer Delegates from Hastings attended the Annual Junior Farmer Conference at the Ontario Agricultural College, Guelph, on April 26th to April 28th. Approximately 450 delegates registered for the complete conference.

The Conference started on a note of inspiration and challenge with the Junior Farmers' Undenominational Church Service in Memorial Hall on Sunday evening. In his Church Service address, entitled, "The Unchanging God," Mac Logan, Oxford County, spoke first of the great changes even in our own short lifetime. But God remains the same, yesterday, today, and forever. He is the God of all the generations.

Nearly all of the 750 Junior Farmers in attendance remained for the Fireside Hour which followed.

Eleanor Saracuse, Past President, introduced guests from Scotland, United States, Australia and Alberta. Monday afternoon. The question, "What is the barrier to understanding one another?" evoked many answers. Though individuals have so much in common and have the same basic needs, there are many differences and prejudices that separate them.

Mr. C. D. Graham, Deputy Minister of Agriculture, was the guest speaker for the banquet Monday evening. Mr.

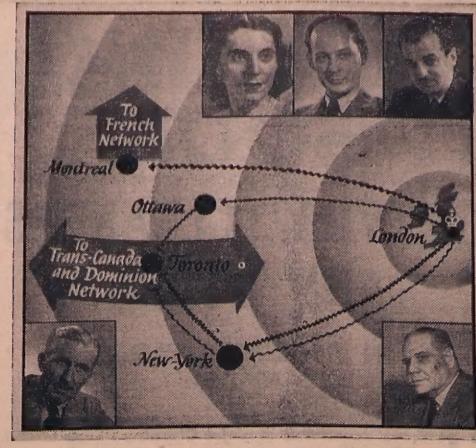

at the future as our responsibility. Whether we succeed or fail depends on you and me. This is a challenge to Junior Farmers everywhere. If you accept this challenge and work with the knowledge and experience you have gained, the result will be success."

Dr. Norman H. High, Director of the Diploma Course, O.A.C., in his address asked three questions concerning yesterday, today and tomorrow: (1) What is this heritage? (2) What kind of day is this in which we live? (3) What are we going to do about the problems of tomorrow? After discussing these three points, Dr. High concluded with, "the great problem facing the world is improving in the exchange of ideas, which will bring about better understanding among the peoples of the world."

The Junior Farmers of Ontario desire that the world of tomorrow shall be one in which sympathetic understanding shall prevail and all people shall live in peace with no fear of war or oppression. This became quite evident during the panel discussion on "Understanding One Another," held

Monday afternoon. The question, "What is the barrier to understanding one another?" evoked many answers. Though individuals have so much in common and have the same basic needs, there are many differences and prejudices that separate them.

In his presidential address, David Pelletier urged that young people to "look to the past as a heritage, on the present as a day of opportunity, and

CORONATION ROUTE

By means of radio, millions of listeners in Canada will be following the Coronation parade along its route, as well as the service in Westminster Abbey.

Here's how these broadcasts will be relayed to listeners here: three transmissions of the same programme, but on different frequencies, will be short-waved by the BBC from London as the historic event takes place. One of these will be picked up by the CBC shortwave receiver near Ottawa, and the other two from New York. They will then be relayed to Toronto, from where the broadcast will be fed to the CBC networks. Toronto will have a choice of using the best of the three transmissions, and can switch from

one to the other wave length, thereby assuring best possible reception for listeners in Canada.

In addition, a French-language broadcast of the event will be beamed directly to Montreal for distribution to the CBC's French Network. The upper insets show (left to right) the CBC's French Network commentators, Judith Jasmin, René Lévesque and Gerard Arthur.

CBC personnel who will help arrange and broadcast the Coronation for English-speaking listeners will be (bottom left and right) A. E. Powley, Supervisor of Special Events, and Capt. W. E. S. Briggs, who will do a commentary from inside Westminster Abbey.

when the world match is held in their country, act as joint hosts with national plowmen to the competitors from other countries.

Imperial Oil and the overseas companies will jointly sponsor a world championship plowing trophy to be known as the Esso Golden Plow. It will be emblematic of world supremacy in plowing.

Mr. Carroll said the plan had been worked out at meetings last week between himself, J. D. Thomas, of Toronto, WCPO executive vice-president, Alfred Hall, of Workington, England, world secretary of WCPO and officials of the sponsoring companies.

The plan has been accepted by the board of directors of World Championship Ploughing Organization. Represented on the board are Canada, Sweden, Great Britain, Finland, Elire, West Germany, Norway and Holland.

In addition the plan would cover competing national champions from Italy, France, Belgium, Denmark, Tunisia, Morocco, Algeria, Switzerland and Northern Ireland. Interest in competing in the world match has also been shown by U.S.A. and Austria.

Mr. Carroll for 16 years was secretary-manager of Ontario Plowmen's

Association. With Mr. Hall, he was one of the pioneers of formation of WCPO two years ago. Mr. Carroll became a charter member of the world plowing group during a visit to England as team-manager of the 1950 winners of the OPA International Match Esso Transatlantic Class. He is first president of WCPO.

He said the international plan was considered of such importance to world plowing that Mr. Hall flew from England at almost a minute's notice to take part in the discussions. During his week-long stay here Mr. Hall visited Cobourg and the site of the world match.

Mr. Hall said, "The plan will allow countries to compete, who — though eager to take part — would have been unable to attend previously because of economic reasons. It means that we will have as many of the world's best plowmen as possible at this year's first world match."

The Defence Research Board staff exceeds 1,600 and operates nearly a dozen research establishments from Halifax to Esquimalt from Toronto in the south to Churchill in the north.

WEED OF THE WEEK Common Dandelion A Hardy Nuisance

Call it Taraxacum officinale Webber if you wish, but to the Ontario farmer and the urban lawn-maker it is still that nuisance, the common Dandelion or Blowball that infests crops and makes lawns look as though they had broken out in a golden rash.

One of the most common weeds in Ontario, the Dandelion emigrated from Europe and today bears the stigma of being even a worst pest in Ontario than it was on its native heath.

From early spring to late fall practically all localities, parks and lawns are overrun with this yellow flowered perennial which valiantly resists efforts at eradication.

The familiar fluffy ball containing the ripened seeds appears about two

years after the flower opens. Drought does not affect the Dandelion as the long fleshy tap root can carry the plant through many drought spells, thus giving it a chance to grow and multiply when other lawn plants are in a weakened condition.

The young Dandelion makes an excellent salad or pot herb whose roots have been used in medicines. In fact, around 1914 over a hundred thousand pounds were being imported into Canada and U.S.A. annually. The milky juice sold for four to ten cents per pound.

Control of the Dandelion with the spud is very laborious and back-breaking but will give results if the root is cut off about four inches below the soil surface. Pieces broken off the main part of the root will grow and produce plants of their own.

Chemical control is very effective and considerably easier. Spraying with 2,4-D where no susceptible flowers or ornamentals are near, and where no bent grass is used in the lawn will give very gratifying results, says the Crops Branch of the Ontario Department of Agriculture. The chemical can be bought at most drug, hardware and department stores. It should be applied at rates recommended by the manufacturer and before the Dandelions begin to flower. Unless some action is taken to clean up large areas, new seeds will blow in and produce a new infestation. Dandelions are profuse seeders and some say the motto of those wishing a lawn free from them must be, "Everlastingly keep at it."

Tuesday morning the boys and girls held separate sessions. In a brief business meeting the girls heard reports on Junior Institute Activities. "Know Your Fabrics" is a new project which has been suggested for the girls' study. A panel discussion on this topic brought out many interesting points about new fabrics on the market. The boys were divided into three groups to visit the Arkell Farm, where the Herd Sire Testing and Swine Research Stations are located, and the Agricultural Engineering and Field Husbandry Departments at the College.

The new executive elected the following officers: Don Middleton, President; Carl Boynton, Vice-President; and T. R. Hilliard, Secretary-Treasurer. Director of Zone 2, Ross Pierson, of Prince Edward County.

Immediately after lunch, all the Juniors assembled in War Memorial Hall for the CBC Farm Broadcast for Ontario and Quebec. This was followed by the Annual Meeting.

Hastings Junior Farmers To Hold

Judging Competition

The Hastings County Junior Farmers' Association is holding the Annual Livestock Judging Competition, on Friday, May 8th. The competition this year will be held in the Madoc district. Contestants will judge and give reasons on classes of dairy cattle, beef cattle, sheep, swine and horses.

The first world plowing match organized by WCPO will be in Cobourg, Ont., in conjunction with the Ontario Plowmen's Association annual four-day International Match from October 6 to 9. The second world match will be held in Eire next year.

Mr. Carroll said that during their stay in Canada this year plowmen competing in the world competition will be guests of Canadian plowmen and Imperial Oil. In future years Imperial Oil will pay the travelling expenses of Canadian national plowing champions to world matches overseas.

The travelling expenses of competing plowmen from Europe and North Africa will be covered this year by companies operating in their homelands. These companies will in years

Honoured At Holloway

On Thursday evening of last week a number of friends and neighbours gathered in the Church Basement to honour Mrs. George Rose, Mr. and Mrs. Don Rose and Francis before they go to make their new home in Belleville. The Rose family have lived at Holloway for a number of years and all are sorry to have them move from our midst.

Rev. H. Giffin was the chairman for the evening and he spoke a few well-chosen words of appreciation to the family for the help they have given in the church and community. During the evening a couple of pictures were shown. Little Miss Christine Workman sang a solo. Mrs. Grant also favoured a selection on his violin accompanied by Mrs. Grant at the piano.

Mr. Giffin called on Mrs. Embury Hough to read the address, after which Mrs. George Rose and Frances were each presented with wrist watches and Mr. and Mrs. Don Rose were presented with a lovely coffee table

and a china centre piece for the table for the surrounding community, including the mail routes.

The Institute then presented Mrs. Don Rose with a lovely cup and saucer and Mrs. George Rose with a broach, and on behalf of the W.M.S. and W.A. of Holloway Church they each were presented with a nice cup and saucer, and Francis was presented with a Testament from his Sunday School Class. Each one expressed appreciation for the gifts. Mrs. Don Rose also spoke on behalf of Francis. All joined in singing, "Blest Be The Tie That Binds." Lunch was served, each wishing the Rose family the best of everything in their new home.

Correction

In last week's issue, the names of S. Armstrong, Lorne Cooke and Wesley Finch were inadvertently omitted as members of the Bowl-O-Drome team which won the Service League. The names of J. Cranston and J. Parker should not have appeared as they are members of a second Bowl-O-Drome team in another League.

Energetic Bowling League Banquet

Energetic Bowling League concluded its activities for the season with a banquet at Quinte Hotel, Trenton. After partaking of a delicious meal, Verna Woodbeck, president, announced the prize winners and Margaret Tanner, secretary-treasurer, gave the lucky players their winnings. For the year, Verna Woodbeck's "Woodpeckers" came out on top with 121 points. The other players were Tillie Green, Marion Holt, Gladys Lancaster, Marie Stewart and Irene Montgomery. Marion Holt took the high single prize, Tillie Green, the high triple and Lenora West, the high average for the season.

In the play-offs, Edith Utman's "Happy Gang" captured the winning place with total pin fall of 8532. Her players were Lenora West, Evelyn Sleeper, Marie Stewart, Cora Eggleton, Marion Carlisle. The high triple went to Verna Woodbeck and high single to Evelyn Sleeper.

Prizes were also given to the substitutes. Frances Heath was top for the high single and high triple, the high average going to Phyllis Sheridan.

The officers for the next season were chosen and are: President, Evelyn Sleeper; Secretary-Treasurer, Gladys Lancaster. The captains were chosen according to their average for the past season: Lenora West, Verna Woodbeck, Ethel Mace and Irene Montgomery.

At the regular business meeting of Stirling Branch of the Canadian Legion, it was decided to back the local troop of Scouts in their ceremonial lighting of the Beacon Fire on the night of Coronation Day.

While it was thought unwise to attempt to compete with television broadcasts and celebrations in the larger centres during the day, it was felt that in co-operating with the Scouts at night, a spectacular and effective marking of the great day would be achieved.

To this end a contribution of money to what is hoped will be a community pool was made, and a letter will be

Stirling Midget Hockey Team Guests At Rotary Testimonial Banquet

"Toots" Holway, of Belleville, Is Guest Speaker —
Tells Hockey Experiences

Members of Stirling Midget Hockey Team and the Executive were guests of Stirling Rotary Club at a testimonial banquet in Stirling Community Hall on Tuesday night.

President Harold J. Wells occupied the chair and Miss Mary Lou Faires presided at the piano. Rotarian R. A. Patterson led the customary singing.

The toast to the Midget Hockey team was ably proposed by Mr. C. A. Wells, a member of the executive, and Manager of the team. He eulogized the players for their good sportsmanship and congratulated them on going a long way along the play-off trail. Ross Parks, team captain, made a suitable reply, voicing the thanks of the players to members of the Executive for the time and energy spent on their behalf. He also thanked the Rotarians for their interest and support.

"Toots" Holway Guest Speaker

Guest speaker of the evening was Albert "Toots" Holway, a former member of the Montreal Maroons in the National Hockey League. He was ably introduced by Rotarian Dr. R. W. Vandervoort.

The speaker gave an outline of his activities in hockey from 1917, when he played with Belleville Juniors, until 1925-26 when he was a member of the Montreal Maroon team which won the Stanley Cup. The exploits of the famous big "S" line of Hooley Smith, Nelson "Old Folsom" Stewart and "Babe" Siebert, Howie Morenz "The Stratford Street" Sprague Cleghorn, Eddie Gerard, Frank Nighbor, "Buck" Boucher and many other stars were recalled by Mr. Holway. In conclusion he advised the boys to live clean lives and practise faithfully if they want to make hockey their career.

Film On Football

Two films, "Highlights of Big 4 Football" and "The Calgary Stampede" were shown by Bill Holway and were much appreciated.

Presentation of Crests

The honour of presenting Group Championship Crests to members of the Midget Team went to Doug Patterson, O.M.H.A. District Convener, who paid tribute to the sportsmanship and clean play of the boys. He also spoke of the expansion of the O.M.H.A., which has over 16,000 boys playing under its guidance. The success of the O.M.H.A. was due not only to members of the Executive but to the co-operation of coaches, managers and players in all parts of the province.

He congratulated members of the Midget team and executive for the past year's success and ventured the opinion that it was only the lack of artificial ice facilities that kept local teams from going through to the provincial championship. Several times in recent years local teams have gone a long way along the play-off trail, even to the finals and semi-finals and in every instance their conquerors came from towns where artificial ice, with its provisions for a longer season, was available.

Rotarian E. D. Ketcheson voiced the thanks of the Club to Messrs. "Toots" and Bill Holway for their contribution to the programme and presented each of them with a Stirling Rotary Club pencil.

Death Claims John Pollock

Following a two-week illness, John Pollock, of R.R. 3, Stirling, died in the Beaver Hall Convalescent Home, Campbellford on Sunday. He was in his 90th year.

Born in Rawdon, son of the late William Pollock and Nancy Meiklejohn, he had lived with his nieces and nephews for the past three and a half years.

The last surviving member of his family, Mr. Pollock's wife, the former Annie Morton, predeceased him in 1938. Surviving are a number of nieces and nephews.

A retired farmer, the deceased was a member of the Gospel Hall Church. The funeral took place at the Duffin Funeral Home, Stirling, at 2 p.m. on Tuesday, May 12th. Mr. Ray Fox, of Trenton, conducted the service, during which "Beyond the Sunset" was sung by Mrs. Ralph Heath and Mrs. Walter Reid.

The pallbearers were Messrs. Ray Pollock, Ivan Saries, Ted Pollock, Claude Moran, Ross and Ralph Jeffs, all nephews of the deceased.

Interment in Wellman's Cemetery.

St. Andrew's Hosts To District Clubs

The St. Andrew's Club, Stirling, were hosts to the Clubs of St. Andrew's West Huntingdon and Burnbrae on Wednesday night of last week.

Carl Bateman, Vice President, was in charge, due to the absence of Mr. Dalrymple and conducted the devotional period. After Rev. W. H. Walker welcomed the guests, Mrs. John McLaren, President of the West Huntingdon Club introduced a couple of musical numbers, presented by their club. The first was a solo by Miss Beverley McLaren and the other was Mrs. Harry Benson operating a dancing puppet with Mrs. Milton Shaw at the piano.

Carl Bateman introduced the guest speaker of the evening, who was Mr. Don Cassie, of Deseronto, from the Tyendinaga Indian Reserve. He gave a very interesting address on the life history and habits of the Indians on this Reserve.

Mr. Roy Eggleton expressed the thanks of the Club to Messrs. "Toots" and Bill Holway for their contribution to the programme and presented each of them with a Stirling Rotary Club pencil.

Deanery Meeting At Kingston

Mrs. E. Kent, Mrs. H. Rodgers, Mrs. E. Cooke, Mrs. Burton Woodbeck, Mrs. Melville Tanner, Mrs. W. H. Cook, Mrs. Tom Tanner and Mrs. Lorna Ash, of Foxboro, attended the 87th Annual meeting of the Ladies' Auxiliary held at St. George's Church, Kingston, on Wednesday last. Mrs. Cooke, official delegate, attended both Wednesday and Thursday sessions, with Mrs. Kent, and was a tea hour guest of Rev. and Mrs. A. J. Anderson, of Barfield, on Thursday.

Lunch was served and a social hour was enjoyed by all with the different clubs expressing their appreciations to all who made the evening an enjoyable one.

LOCAL REBEKAHS VISIT THOMASBURG

Some fifty-six members of Laurel Rebekah Lodge No. 211 paid a fraternal visit to Crescent Lodge, Thomasburg, on Monday night. During the evening, members of Laurel Lodge degree team, under the leadership of Mrs. Percy Utman, conferred the degree on a candidate in a most impressive manner. At the close of the ceremony brief addresses were given by the visiting Noble Grands and District Deputy President Geen, after which dainty refreshments were served and a social hour enjoyed.

Local Men In Hospital

Friends of Rev. W. H. V. Walker, of St. Andrew's Presbyterian Church, will regret to learn that he is a patient in Kingston General Hospital, where he underwent an operation this week. The latest report is that he is progressing well towards a recovery. R. Bruce Bell is also a patient in Kingston General Hospital, where he went on Tuesday. It is expected that he will undergo an operation later this week.

Mr. and Mrs. Sheldon McIntosh announce the engagement of their daughter, Gwendolyn Jean, to John Wilbert Jones, son of Mrs. Clifford Jones and the late Mr. Jones, of Marmora. The marriage will take place on May 23rd, at two o'clock in St. Andrew's Presbyterian Church.

Competition Among Junior Farmers Held In Madoc District On Friday Last

The annual Hastings Junior Farmer Livestock Judging Competition was held in the Madoc District on Friday, May 8th. The competition is an annual event and this year 48 contestants took part. The competition started off with two classes of sheep judged on the farm of Mr. Allan Ketcheson, Madoc. The contestants then judged one class of Holstein Cattle and a class of light Draft Horses at the farm of Mr. Stanley Moorcroft. Two classes of Yorkshire Gilts and Sows were judged on the farm of Mr. Allan Thompson, Madoc. DINNER MEETING LOCAL C. OF C.

A dinner meeting of the Stirling Chamber of Commerce will be held in the Sterling Hotel on Friday evening, May 22nd, at 7 o'clock. The guest speaker will be Trevor Hamill, Manager of the Ontario Chamber of Commerce. A number of pictures of the Canadian Rockies will also be shown by J. V. Holt. Tickets are \$1.00 each and may be procured from D. R. Patterson, secretary, or H. R. Tompkins, president of the local Chamber of Commerce.

It is anticipated that there will be a good representation of business men and farmers present. As the number of tickets is limited you are advised to buy yours early.

Engagement

Mr. and Mrs. Sheldon McIntosh announce the engagement of their daughter, Gwendolyn Jean, to John Wilbert Jones, son of Mrs. Clifford Jones and the late Mr. Jones, of Marmora. The marriage will take place on May 23rd, at two o'clock in St. Andrew's Presbyterian Church.

Attend Synod

Rev. H. C. Secker, of St. John's Church, attended the sessions of the Synod held in Kingston on Tuesday and Wednesday. Mr. J. B. Belshaw attended the Tuesday session.

82 Years Young

Congratulations are extended to Mrs. Wm. McMullen, of Harold, who observed the 82nd anniversary of her birth on Saturday, May 2nd. She was born at Harold and has spent her entire life in the district. She spent the day quietly at home.

Community Honours Sager Family

On Wednesday evening about 60 people gathered at Mount Pleasant-Rawdon Church Hall to spend a social evening with Mr. and Mrs. Albert Sager, before their departure for Ottawa.

Mr. Sager has been employed at the "Radio Beam Station" for the past five years and has made many friends in this community. Some time this month they expect to take up residence in Ottawa.

The pastor, Rev. R. R. Bonsteel, was presiding officer for the evening and he gave a brief message, wishing Mr. and Mrs. Sager and baby daughter, Elizabeth, much happiness and many friends in their new home.

Mrs. R. R. Bonsteel led in a round of community singing with Mrs. Carlton Potts as accompanist.

Mrs. Edgar McKeown read a selection, entitled, "It Doesn't Pay Off To Be Meek". Mrs. Will McAdam and Mrs. C. Potts sang "Those Far-Away Places". Mrs. Merle Spencer read an article entitled "Singing Happy".

Carol Sharpe and Kalvin Sharpe with Mrs. Malcolm Sharpe as accompanist, sang two selections during the program, "Doctor Danny" and "How Much Is That Dog in the Window?"

Mrs. K. Weaver read a poem, "Neil and Me on the Farm". Miss Ruth Sharpe contributed a piano solo and (Continued on Page Eight)

Trees Planted On School Grounds In Commemoration of Coronation

96 Years Old

Congratulations are extended Mr. William Hagerman, who will observe the 96th anniversary of his birthday on Monday next, May 18th. A lifelong resident of Rawdon Township, Mr. Hagerman resides with his daughter, Mrs. Will Wright, at Minto. Despite his years, he is very active, reads without the aid of glasses, and is keenly interested in the events of the day.

A twin brother, Henry Hagerman, died three years ago in Edmonton, Alta.

Scouts To Have Beacon Fire

To mark the Coronation of Her Majesty Queen Elizabeth II on June 2nd next the Stirling Boy Scouts will have a beacon fire on a site near the Village water tower. The Stirling Legion in co-operation with other municipal bodies will provide a fireworks display.

Fuel will be needed for the beacon and anyone having brush, old boxes or other suitable material may contact Joe Irish, Scout Master. Donations towards defraying the cost of the fireworks display may be turned over to F. Houchin, President of the local branch of the Canadian Legion.

Passes Exams

Ross H. Hermiston, of R.C.N., is spending the summer at the Pacific Coast. Presently he is on course at Royal Roads. He has been successful in his first year at Queen's, securing First Class Honours in Commerce, Second in Politics, Economics and Mathematics and a Credit in English.

Badges Presented

At the regular meeting of the Stirling Boy Scouts on Tuesday evening, Bronze Arrowhead Badges were presented to Allan Wells, Martin Secker, Charlie Hamilton and Arthur MacNeil. The presentation was made by David O. Duffin, Chairman of the Scout Group Committee.

Five Tons Paper Collected

Approximately five tons of waste paper were collected by the Boy Scouts in their waste paper drive on Saturday last. The sum of forty dollars was realized from its sale and the boys are deeply grateful to all those who lent their support to their appeal.

The pastor, Rev. R. R. Bonsteel, was presiding officer for the evening and he gave a brief message, wishing Mr. and Mrs. Sager and baby daughter, Elizabeth, much happiness and many friends in their new home.

Mrs. R. R. Bonsteel led in a round of community singing with Mrs. Carlton Potts as accompanist.

Stirling Horticultural Society Donated Blue Spruce Impressive Ceremony

In commemoration of the Coronation of Queen Elizabeth II, four blue spruce trees, the gift of the Stirling Horticultural Society, were planted with fitting ceremony at the local schools yesterday afternoon. Two trees were allotted to each school and two more will be planted in front of the local Public Library today.

Public School

At the public school, Chairman F. A. Patterson of the School Board officiated and the pupils and members of staff assembled on the lawn to witness the ceremony. Following the singing of the National Anthem Chairman Patterson explained the purpose of the gathering and voice the thanks of the Board to the Horticultural Society for their gift.

President F. Houchin of the Horticultural Society spoke briefly expressing the hope that the trees would thrive and be a fitting memorial to the Coronation of our lovely Queen Elizabeth. He also urged the children to guard them well and see that nothing was done to spoil their growth.

R. W. Meiklejohn, secretary-treasurer of the School Board for many years, was given the honour of turning the sod for one tree, and J. B. Belshaw, who has taken a prominent part in both the Board of Education and Horticultural Society, the other.

Chairman Patterson repeated the following lines: We can grow quickly and serenely according to the plan of God. We can strive for perfection and usefulness. A tree does not live for itself, it lives to bear fruit — give shade or be a thing of beauty; to render some definite service. So also should we live.

H. R. Tompkins, a member of the School Board, closed the ceremony with the following prayer: Our Father, Maker and Designer of the growing trees, help us to grow. Make us strong and upright, great souls of towering grandeur. May we measure our height by the Christ, ever reaching up to the sky like the wonderful trees around us. Thou who hast made everything beautiful in its time help us to strive for beauty in our relations one with the other.

High School

At the High School Principal J. L. Good presided and explained the purpose of the gathering and the planting of the trees was carried out by two groups of pupils, Ray Hermiston, Frank Bailey and Grace Carleton, and Bob McCrory, Lorne Jenkins and Ruth Mumby.

F. Houchin, President of the Horticultural Society, spoke briefly stating it was the wish of the Society to mark sincerely and loyally Coronation Year. The ceremony closed with the National Anthem.

Sidney-Trenton C.C.E. Holds Convention In Trenton Church

The annual convention of the Sidney and Trenton Council of Christian Education was held in the King Street United Church, Trenton, on Wednesday afternoon and evening. The delegates were most fortunate in having two capable speakers for the convention. Rev. Keith Daniel, of Victoria Avenue Baptist Church and Rev. Canon J. B. Creggan, of Christ Church, both of Belleville.

Alkens United Church Sunday School was in charge of an impressive service to open the afternoon session.

S.S. Bible Readings

President Mrs. Warren Harlow, of Eggleton United Church Sunday School, welcomed one and all and introduced Rev. K. Daniel, representative of Christian Education. Rev. Daniel spoke on methods of Bible reading in the Sunday school. Several different methods were outlined and practical demonstration given. His talk was most informative, and

delegates were busy with pencil and paper, taking down notations on his suggestions.

The business of the meeting was dealt with. A detailed report of the council's activities was given by the secretary. Each department superintendent was called upon to give a resume of his or her year's activities in the respective departments. Roll call showed 14 Sunday Schools represented in the afternoon. Each Sunday School gave a report of outstanding activities during the past year. Many had highlights that deserve special mention, but perhaps the most outstanding report came from Centenary, a small rural Sunday School which contributed well over \$200 toward Christian Missions, all being from free will offering.

Welcome

Rev. Mineilly welcomed one and all to King St. Church. Mrs. M. B. Sine, of Scott's United

Church, led in a Biblical contest which gave delegates some real memory work to do.

Mr. Daniel then spoke to the group again on the theme of the convention, "The Bible, Our Bible and My Bible". He pointed out that whereas people will have various tastes as to what portion of the Bible he or she likes, but the Bible has something for every person. Circumstances may change ideas about various passages of the Bible, but there is a portion of Scripture to suit every person in any situation.

Bible Discussion

The delegates and visitors were then divided into three groups, each under a capable leader, and they discussed three subjects: The Bible in Culture, The Bible in the Home, and the Bible in Personal Living. The three groups gave a report on their findings following a half hour of research in their respective departments. Many fine suggestions were brought forth in each.

The meeting then adjourned for a bountiful repast served by the ladies of King Street Church.

Following the supper, the nominating and resolutions committees met. Mr. Daniel led in a round table discussion while gathered around the table, at which time several Sunday Schools presented problems that faced them, and each was discussed and dealt with in turn.

Returning to the church again, first vice-president, Floyd McInnes, of Sidney Baptist Church, led in the song service. Batawa Sunday School then took charge of the evening worship, which opened with quiet music. The Scripture passage was read, and the Batawa superintendent gave a fine talk on the convention theme.

Officers Elected

The report of the nominating committee was given and the following are the officers of the Sidney and Trenton Council of Christian Education for another year, honorary president, Harleigh Hamilton; president Mrs. Warren Harlow; 1st vice-president, Floyd McInnes; 2nd vice-president, Sid Martin; secretary-treasurer, Gene Lohnes; Young Peoples' superintendent, Miss Barbara Brown; Children's superintendent, Mrs. Hudson Ketcheson; Girls' superintendent, Mrs. Leonard Young; Boys' superintendent, Robert Smithson; Home department superintendent, Mrs. E. B. Finkle; Missionary department superintendent, Mrs. H. Jeffrey; Temperance, Mrs. M. B. Sine; press secretary, Gene Lohnes; leadership training

superintendent, Rev. G. Puttenham; Bible Vacation Schools, Mrs. F. Ruckstuhl; nominating committee, David Hollinger (chairman), Sid Martin, Robert Smithson, William Jeffrey and Lawrence Ketcheson.

The report of the resolutions committee was given. In addition to the courtesies extended, the committee urged more support by the Sunday School superintendents and the school members of the various department superintendents, in order that they may give more complete reports at the conventions.

The installation of officers was conducted by Rev. Kenneth Stewart of Lakefield.

Fine Address

Canon J. Creggan, of Christ Church in Belleville, evening representative of the O.C.C.E., gave a splendid address, "The Bible Lives Anew".

Mr. Harlow spoke briefly to the convention, thanking all who attended and asking their continued support in return for her pledge to carry on to the best of her ability as president. She solicited the prayers of members for the recovery of Mr. William Jeffrey of White's United Church, who is a patient in Belleville General Hospital. Mr. Jeffrey has been a faithful worker, not only in his own Sunday School and church, but in the S. and T.C.C.E.

A hymn, "Take My Life and Let It Be", closed the convention and Rev. R. W. T. Middleton pronounced the benediction.

New Post Office For Tweed

Frank Foilwell, M.P. for South Hastings, has announced that \$50,000 has been placed in the public estimates, for a new post office in Tweed, this year. Property for the new post office at the corner of Colborne and Spring Streets was purchased some time ago from C. R. Porritt. —Tweed News.

Ferry Operating

The ferry operating from Deseronto to Prince Edward County, is now on duty for the 1953 season. It was recently purchased by Arthur MacDermaut from Frank Cronk, of Deseronto.

Damage Totals \$200. In Saturday Crash

About \$200.00 damage was done about 5.30 p.m. Saturday when a car driven by Kenneth Ellis, 22, of Oshawa, and one driven by Douglas Jones, 46, of R.R. 1, Marmora, collided at the road leading to the Building Products Co. and Highway No. 7, just east of Havelock. The right front fender of the Jones car and the left side of the other car were damaged.

Reeve Resigns At Bloomfield

A meeting of the Bloomfield Council was set for Thursday night when the resignation of Reeve H. R. MacDonald was tendered, as he is leaving the village to reside in Ajax. A nomination meeting will be called. It is possible that Sherman McQuaid will seek the office though there are rumours of one or two council members resigning to seek the vacancy.

No Bones Broken

Eleven-year-old Zibie Ellis, of 245 Victoria St., Campbellford, is reported improving in Belleville Hospital, where he was taken Wednesday afternoon of last week after he was found lying unconscious beside his smashed bicycle. X-rays showed the boy had suffered no fractures and it is hoped the sight of his injured left eye can be saved. Believed to be the victim of a hit-and-run driver, he is suffering from concussion and bruises.

Thirteen of the senior boys from the Ivanhoe Public School planted about one thousand pine trees on the property of the Moira Conservation Authority, two miles east of Actonite, on Tuesday, May 5th. Mr. Edwards, Zone Forester for the district, explained the proper method of planting and showed a planter in operation. This machine will plant 5,000 pines each day if the soil is free of stones.

Mr. P. M. Wood took the following boys in Mr. Tom Fleming's truck. Dale Benson, Dadwin Benson, Terry Beer, Albert McFadden, Larry McMaster, David Fleming, Joe Rollins, John Rollins, Carlyle Rollins, John Tyson, Tom Tyson and Jack Wood.

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

When the good ladies of Stirling entertain they do it well. The reputation established in providing enough and to spare has given our women an enviable name for hospitality.

Many Visitors

It is anticipated that many former residents and visitors will come to Stirling for St. Paul's Centennial Observance. These will be welcomed by everyone, especially our homemakers. Their reputation will at times be put to a severe test. We are quite sure they will meet with flying colours.

The warmth of welcome with which friends and little groups are entertained has been evidenced in our cottage meetings. The carry over of this ministry to the larger fraternal delegations attending our Centennial evening services will open a door by which our fine reputation for hospitality will not only be maintained but enhanced.

I Begin May 24th

Our friends of the Salvation Army will form the vanguard Sunday evening, May 24th. The fine work of the Army is well known. Indeed their "Red Shield" Campaign now underway will receive our support. What a privilege to share with these devout Christians in the after service fellowship when they will meet and mingle with members of St. Paul's.

The Welcome Mat

Mr. and Mrs. J. F. Palmer, of Church St., will entertain Rev. Morgan Rowland on May 31st.

Mrs. and Mrs. Wm. Cornett will be hosts to the President of the Conference, Rev. George Telfer, D.D., and Mrs. Telfer, May 24th.

His Honour Judge H. S. Mott and Mrs. Mott will be week-end guests of Mr. and Mrs. Walter T. Elliott, June 27th.

Lt. Col. Walter Putt, veteran Editor of the War Cry will be entertained over the week-end, May 24th, at the Parsonage.

Bay of Quinte Conference

The 1953 meeting of the Bay of Quinte Conference of the United Church of Canada will meet in King St. United Church, Oshawa, May 26th to 29th.

Ministerial Shortage

The Conference will hear again of the anxiety felt for places without Ministers and the difficulty in supplying them due to a shortage of Ministers and candidates for the Ministry.

The problem of changes by Min-

isters and congregations without adequate notice may be considered. Some feel that except where there is mutual consent, congregation or a Minister desiring a change should give six months notice to enable changes to be effected without undue haste and after a full consideration of the needs of the situation.

Sickness

Mrs. Walter Barker, after being unwell for several days is now under care at the Green Nursing Home.

Festivals and School Attendance

Page 80 of the Function of Music in Education by Dr. Fenwick, Director of Music in the Province of Ontario reads: "The Ontario Department of Education permits schools to participate in Music Festivals without penalizing them for absence from classes."

The fact that a pupil's name is regularly entered on a Festival programme should be ample evidence to satisfy any teacher. Should any teacher or principal prove non-co-operative which is unknown in our experience, the pupils concerned may simply stay away and any question of credit can be taken up if necessary with the Inspector or Department.

News-Argus Trophy
Mr. H. R. Tompkins, Editor of the Stirling News-Argus, has graciously donated a trophy for annual competition for School Choirs. This is a valued edition to our prize list.

Northumberland

Supported by a Board of Management under the guidance of Public School Inspectors Carlton and Sutherland, the Northumberland Music Festival which began last Monday will close tonight after four full days of participation by selected pupils from every grade from schools in all parts of the County, both Public and High Schools.

River Valley

It is hoped that eventually a strong County body will be organized to direct the Stirling Festival. St. Paul's Church with the co-operation of others is simply giving leadership until others more representative are ready to take it over.

Glen Ross

The flag pole has been raised at the Glen Ross School. It has been nicely located and will we trust unfurl a flag in time for the Coronation. Its ap-

pearance could be enhanced and the wood protected by a couple of coats of good paint. Our thanks to the trustees meantime for its erection.

Curtains

The installation of curtains in some class rooms is commended especially if they overcome the sun's more violent heat.

Brooklyn Cottage Meeting

The Cottage Meeting last week was held in the Brooklyn district of Stirling in the spacious home of Mrs. C. H. David. It was arranged by Elders H. Hagerman and S. Hatton, the latter being unavoidably absent.

Mr. Geo. Carlisle opened the meeting with prayer and Mr. Hagerman read the Lesson, 1st Cor. 13, and presided. Master Douglas Wilkins sang the prayer solo, "Holy Spirit Hear Us." Rev. W. S. Irwin and Mrs. Baker sang a duet, "O It Is Wonderful." Mrs. R. Stapley sang a gospel solo and presided at the piano.

Guest Speaker

Mrs. Roy Bush, special speaker for the meeting in a thought filled message said among other things: (1) If we go to wordly people to solve our problems we will get wordly answers,

(2) It is difficult for many Christian people to witness for Christ. (3) We do not enjoy the things we are not prepared for (in an allusion to those who absent themselves from cottage meetings). (4) The pendulum of spiritual interest which has been very low is now on the upswing. (5) There are too many false notions about religion. (6) Christian ideals never change. (7) It needs people from the church to keep our outside organizations clean. (8) You cannot overcome without a heart change. (9) Sick in body and soul we are working for an allround reconditioning (10) we sometimes have to cast our votes alone. (11) If you don't use your church you will lose it. (12) Hang on to heavenly power — the rooster crowed just in time to bring Peter back. (13) Many young folks today do not understand the language of the church.

This fine meeting was followed by a social half hour in which many shared. Assisted by some of her neighbours, Mrs. David inspired a Bethany feeling which would we feel sure have delighted our Lord.

Rural Life Sunday

A special order of service will be observed at St. Paul's next Sunday in a service which will include several vocal selections.

Young Adults

The afternoon service will be withdrawn at Carmel next Sunday to enable everyone to support the Annual Young Adult Service at 8:00 p.m. Sunday night. Rev. S. E. Larman of Holloway Street United Church, Belleville, will be the guest speaker and the Batawa United Church Choir will lead in praise.

April Birth

Our congratulations to Mr. and Mrs. S. Demorest on the arrival of a daughter, Betty Noreen, Sunday, April 19th.

Has Tide Turned?

The boozie interests received a painful blow last week when the residents of West Oxford stripped their only hotel of its dining room license. 686 votes were cast against the "wets" and 312 by them.

West Lorne also reaffirmed its opposition to "suds" by voting down a motion voted dry 40 years ago and in beverage room for men. This four intervening votes has decisively defeated the "wets."

Farmers

If farmers were half as zealous in promoting the sale of milk as the brewery interests are of booze they would be unable to meet the demand for milk.

A representative at the Glasgow Trades Council expressed a desire to see more milk sold and less beer. "He said he would rather see fat babies

ham, was read by Mrs. K. Tompkins. The subject chosen was, "Loyalty To One's Self." It carried many helpful thoughts to those present. Another reading, "Mother's Day," was given by Mrs. O. Dracup. Mrs. John Rainie rendered a beautiful solo, "He Always Knows." The collection was received, after which the hymn, "When Mother of Salem," was sung, to close a very helpful meeting.

A very dainty lunch was served by the hostess and her assistants. Mrs. Clifford Clancy moved a vote of thanks to Mrs. Watson for her kind hospitality.

Campbellford To Get New Industry

A new industry will locate at Campbellford, R. J. A. McGregor reported at a recent meeting of the Campbellford PUC.

Commissioner McGregor said he was not at liberty to disclose the nature of the firm but he had been assured of its coming during a recent trip to Ottawa when he had interviewed Dr. F. G. Robertson about priority of water rights in the area of the power house.

Wellman's W.A.

The Woman's Association of Wellman's held their regular meeting on Tuesday, May 5th at the home of Mrs. George Watson with 20 in attendance.

Mrs. Lorne Watson took charge of the meeting. The theme song was sung, followed by the Lord's Prayer. Mrs. Douglas Clancy took charge of the worship service, taking as her theme, "Mother's Day." The hymn, "What A Friend We Have In Jesus," was sung, after which Mrs. Burton Morton read the Scripture Lesson, Proverbs 31; verses 10-31. Mrs. Clancy then gave a few thoughts about Mother and followed with prayer. The hymn, "For The Beauty Of The Earth" was sung to close the worship service.

The minutes were read by the Secretary, Mrs. George Watson, followed by a business discussion concerning the convention in Tweed on May 26th; also about having a booth at the Ploughing Match to be held at Cobourg. Mrs. George Watson thanked the ladies for cards received by both her and her husband during their recent bereavements. Mrs. Chumbley thanked them for the card her daughter Jean received while in the hospital. A thank you card was read from the Mission Band, thanking the ladies for assisting in packing the candy to sell the night of the play.

A reading entitled, "To Be A Mother," was given by Mrs. A. Chumbley. Another reading, "Maytime," was given by Mrs. W. Sine. Mrs. P. Sharpe gave a reading, "Nobody Knows But Mother." The topic which was previously prepared by Mrs. Jack Dun-

The new lightweight mineral aggregate! Architects, Plasterers, Contractors and House owners who have tested MICAFIL all say it is:

- easier to handle — because weighs only 8 lbs. per cubic foot.
 - lasts longer — does not absorb moisture, dries without warping or buckling, does not crack, dissolve, disintegrate or rot.
 - affords greater protection — against sub-zero cold or intense heat, against fire hazards, favours low insurance rates.
- Replaces sand in modern gypsum plastering construction. See your BISCO Dealer or contractor today!

Marsh Hill Harmony Club met Friday night, May 8th, in the Marsh Hill School with forty in attendance. Mr. and Mrs. David Hollinger were host and hostess for the evening.

The president, Mr. Allyn Finkle opened the meeting with a short sing song of hymns.

During the business, an invitation from Carmel Adult Group to attend their Church service Sunday night, May 17th, was read. The following programme had been prepared by Mrs. Grace Bartindale and Mrs. Frank Finkle. Mrs. Bartindale read the Scripture Lesson, "The Parable of the Talents" and led in prayer. Mrs. Finkle gave a paper, "Talents, Our Responsibilities". Mrs. Harold Detor gave a reading "Blessed Refusals". Marilyn Finkle favored with a piano solo, "Yellow Butterfly". Mrs. Charlie Ross gave a reading, "The Mother in the Home". Mrs. Leslie Little read "God Bless You".

After repeating the Mizpah Benediction, Mr. and Mrs. David Hollinger conducted several contests and stunts, then refreshments were served by the lunch committee.

Marsh Hill Church Mother's Day Service

Mothers' Day Service was held Sunday morning in Marsh Hill Church. The church was beautifully decorated with spring flowers and potted plants which were supplied by the mothers of the congregation, who had received them as gifts.

Mrs. Basil Kuglin presided at the piano throughout the service. The order of worship service, supplied by the Ontario Council of Christian Education was used. The theme was "Christian Foundations for Every Home".

Mr. David Hollinger, superintendent of the Sunday School, assisted Rev. Mr. Giffin with the service. Mr. Giffin

STIRLING

Hello Homemakers! Now that the housecleaning is completed, we intend to check on leftovers after every meal. In fact we've made a list of the various ways to use dry bread and cake which seem to be a problem of many readers.

Of course we intend to try and keep bread and cake as fresh flavored as possible by storing in separate clean, covered containers. These baked goods can be the basis for successful desserts, especially for hungry people. For instance, we prepare a wonderful Orange Russe using leftover cake, cream and orange sections. Last week we served a pastry shell made of dry bread crumbs, filled with a lemon cream, to guests who said it was delicious.

TAKE A TIP

Uses of Leftover Cake:

1. Snow Caps — Cut leftover cake into circular pieces. Spread with a paste of chopped figs and preserved ginger syrup. Place a marshmallow in the centre of each and bake in electric oven of 375 degs. until marshmallow softens (about 10 mins.).
2. Lemon Cake Puddings — Crumble cake into crumbs and combine with leftover fruits. Serve with lemon sauce.
3. Marmalade Trifle — Arrange squares of sponge cake spread with a thin layer of marmalade. Pour a

soft custard over the pieces and chill for 1 hour. Sprinkle with toasted almonds, if desired.

4. Uncooked Fruit Dessert — Combine broken pieces of chocolate or angel food cake with marshmallow pieces, cubes of pineapple, chopped nuts, maraschino cherries and whipped cream. Chill for 1 hour.
5. Chocolate Refrigerator Cake — Melt 2 squares of semi-sweet chocolate and add 1½ cups evaporated milk, stirring until thick. Add ½ cup water. Meantime, line a cake pan with wax paper and place in it a layer of leftover cake, cut in 1 inch squares. Pour half the sauce on this layer; then add another layer of cake and top with remaining sauce. Chill overnight in electric refrigerator, unmold and serve topped with whipped cream.

Used of Dry Bread:

1. Baked Apples — Combine 1 cup of bread crumbs, ½ cup brown sugar, 2 cup water and 3 tbsps. juice. Pack into 4 cored baking apples. Bake 1 hour in electric oven of 350 degs.
2. Lemon Cake Puddings — Crumble cake into crumbs and combine with leftover fruits. Serve with lemon sauce.
3. Marmalade Trifle — Arrange squares of sponge cake spread with a thin layer of marmalade. Pour a
4. Blueberry Betty — Place slices of French toast in 1 quart, rectangular pan and spread with 3 cups drained blueberries. Sprinkle with 1 tsp. icing sugar and ½ tsp. nutmeg, then heat for 16 minutes at 425 degs.
5. Brown Bread Pudding — Scald 1½ cups milk and ½ cup cream; 1½ tbsps. butter and 1 tsp. salt. Soak 2 cups of broken brown bread in the milk, then simmer until all the milk has been absorbed. Serve with canned Chocolate sauce.

4. Steamed Fruit Pudding — Sift 1 cup flour, 1½ tbsps. baking powder and ½ tsp. salt together. Cut in ½ cup shortening and add ½ cup dry bread crumbs and ½ cup sugar. Add 1 beaten egg and 2-3 cup milk. Fold in 1½ cups drained canned raspberries. Pour into greased mold, cover with aluminum foil and steam 2 hours. Serve with thickened raspberry juice.
5. Spiced Pudding — Use the ingredients for a spiced cup cake recipe substituting dry bread crumbs for the flour in a reliable recipe.

6. Substitute fine bread crumbs in a Fritter recipe for the pastry flour.
7. Top stoned stewed fruits (prunes or apricots) with a mixture of ½ bread crumbs and ½ cup hard butter and ½ tsp. cinnamon.

8. Brownies — Beat 2 egg whites and fold 1 cup brown sugar, ¼ tsp. maple flavoring, 1 cup broken nuts and 1 cup fine bread crumbs. Shape into small balls and place on a greased cookie sheet. Bake in an electric oven of 325 degrees for

about 20 minutes.

Spicy Bread Shell

- 2 cups fine bread crumbs
2 cup brown sugar
½ cup butter or margarine
1 tsp. cinnamon
- Mix ingredients thoroughly. Pat mixture firmly against bottom and sides of 9 inch pie plate. Bake at 375 degs. for 10 minutes.

Lemon Cream Filling: Soak 1 tbsp. gelatin in 1-3 cup cold water; add ½ cup sugar and 1-3 cup boiling water. When gelatin is dissolved add 1 cup orange juice, ½ cup lemon juice and 1 tsp. lemon rind. Chill until partially firm. Beat until frothy. Meantime chill 1 can sweetened condensed milk and then beat well. Combine with jelly base and pour into bread shell.

Orange Russe

- Chocolate cake
Whipped cream
- Slice chocolate cake in 1 inch slices and cut 3 inches long. Line a refrigerator trap with wax paper, arrange a layer of cake on this, spread with whipped cream and orange sections. Chill in electric refrigerator until serving time.

Record Entry List
For Stirling Festival
Marks Centennial
Year

The Board of Management of the Stirling Festival of Sacred Praise met at the home of Mrs. W. T. Elliott on Monday to arrange the programme for the 1953 Festival.

New Class

A new class this year has been made for one-room rural schools. Twelve schools have entered to compete for the coveted Ontario Intelligencer silver cup. The designation of these entrants indicates the wide range of interest. Rawdon Township is represented by Williams S.S. 4, Minto S.S. 17, S.S. 14 and S.S. 13, Snarr's S.S. 17, Ridge Road S.S. 1, Wellman's S.S. 8, West Huntingdon S.S. 4, Murray Tabernacle S.S. 22, Maple View S.S. 23, Union Sidney and Rawdon, Glen Ross S.S. 22; also the Indian School from Tyendinaga.

Public School

Open Class

Seven schools will interpret "Brother James Air" namely Frankford, Ridge Road, Indian Reserve, Minto, Wellman's and Harold.

Rural Junior

Choir Class

Springbrook and Ridge Road will be the only contestants in this category.

Entry List

The committee reviewed a record entry list of 292. School choirs alone will bring at least 300 boys and girls to the village for this great Festival.

Three Churches

Adjudications will be carried on simultaneously at three centres namely St. Andrew's, St. John's and St. Paul's. The co-operation of all ministers and church officials is greatly esteemed by the Board of Management.

Four Adjudicators

The committee was exceedingly fortunate in securing the services of Dr. J. F. Horwood to meet the unexpectedly large increase in the number of entrants with Rev. L. K. Daniel, B.A., D.D., Mr. David Ouchterlony and Mr. Arthur H. Egerton, Mus. Doc., F.R.C.D., A.R.C.M. Stirling will have a company of adjudicators rarely to be found at a village centre.

Junior Church Choirs

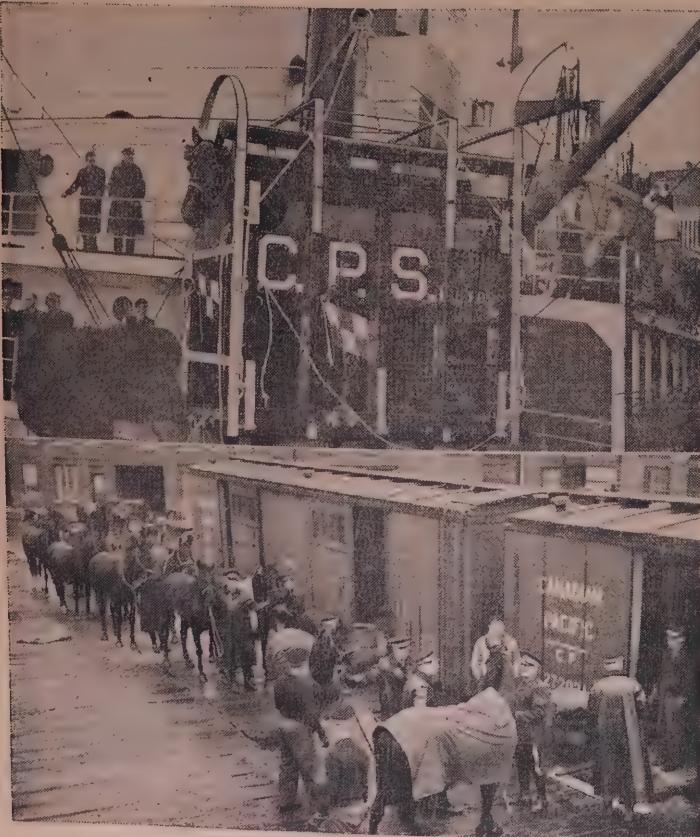

Trenton, Napanee, Stirling and Coddington will be heard in competition for the coveted Junior Church Choir Shield.

Programme

A detailed programme of all solo, duet and other classes is expected by May 15th. Copies will be sent to all contestants and be available to all others at a nominal charge. The Festival will be reported by the News-Argus. Order your News-Argus early to avoid disappointment.

with a reliable picture of the breeds and types of poultry kept for commercial purposes across the country.

These records reveal that in the three years ending December 31st, 1952, the total number of chicks hatched in the registered hatcheries varied from slightly over 55,000,000 chicks in 1950 to 89,000,000 in 1951 to 64,000,000 in 1952 to 64,000,000 in 1952.

The percentage of the total chicks hatched in 1952 for crosses and the major breeds — breeds having 10 per cent or more of the total — was:

Crosses, 36.24 per cent, New Hampshires 16.96 per cent, Barred Rocks

16.36 per cent, Light Sussex 11.17 per cent, Single Comb White Leghorns 11.10 per cent.

Chick production by provinces from registered hatcheries in 1952 was: British Columbia, 5,852,539; Alberta, 7,604,800; Saskatchewan, 5,993,878; Manitoba, 7,626,790; Ontario, 26,399,623; Quebec, 6,222,161; New Brunswick, 1,248,788; Nova Scotia, 2,507,774; Prince Edward Island, 738,476. Average hatchability for all provinces was 70.9 per cent.

Exports of chicks from Canadian hatcheries at 5,837,781, just slightly exceeded the imports of 5,454,969.

PROCEDURES RECOMMENDED TO COMBAT POTATO SCAB

At the request of the Potato Growers of Ontario a committee was appointed in 1948 to investigate all phases of potato scab. This committee includes members of departments of various institutions who could contribute to the project.

This co-ordinated research has revealed and confirmed certain facts about potato scab, although at the present time the committee cannot suggest any general control measures. However, under certain conditions the following recommendations will help to reduce the disease.

1. Do not grow potatoes after potatoes. Experiments have proved that this practice increases the disease.

2. It is not advisable to use manure for potatoes. Apply it to the previous crop.

3. Avoid liming soils that are to be used for potato production. Lime increases soil alkalinity. This creates conditions favorable for the development of scab producing organisms.

4. Where scab is very severe grow a resistant variety such as the Ontario. This variety requires a long growing period and should be planted early. Secondary growth late in the season frequently causes many off-type tubers. The timely application of a vine-killer will control this secondary growth.

5. When scab is severe in localized areas in a field, the addition of sulphur has proved beneficial. Sulphur increases soil acidity. This creates conditions unfavorable for the development of scab producing organisms. Before applying sulphur, consult the Soils Department at the Ontario Agricultural College for recommendations.

6. A crop of soybeans preceding potatoes has reduced the amount of scab. Where soil and weather conditions are suitable, growers might consider soybeans as a seed crop. The straw must be returned to the soil.

7. Recommended seed treatments destroy the scab producing organisms on the tubers and prevent the introduction of the disease to the soil. However, seed treatment will not protect the crop grown on scab infested soil.

SHORTAGE OF LIME WEAK LINK IN PRODUCTION

Farmers of Ontario are sometimes oblivious of the fact that a shortage of lime is often the weakest link in crop production, officials of the Crops Seeds and Weeds Branch of the Ontario Department of Agriculture report. Finding of the Department is substantiated by a recent statement of Prof. N. R. Richards, head of the Soils De-

partment, Ontario Agricultural College, who said: "Generally speaking there is not nearly enough lime applied at the present time in Ontario. There are extensive areas in the Province where ground limestone can be used to advantage."

Statistics compiled in the Crops Branch indicate that the use of agricultural limestone has been gradual. In the 10 year period 1941-51, the tonnage increased from 2,100 tons to over 40,000 tons; encouraging but not nearly enough when the foundation of successful agriculture is a soil plentifully supplied with lime, organic matter and phosphorous.

The Department points out that soils suffer a continuous loss by the leaching action of rain water. The movement of lime in the soil is always downward. It has been found that the average leaching is 557 pounds on bare land, 383 on grassland and 345 pounds on crop rotation. Extensive experiments in England have indicated that there is a greater loss of lime than any other mineral constituent in the soil.

Loss of lime occurs through its removal in the crops harvested. An acre of alfalfa for example removes about 400 lbs. of lime annually. Every steer that walks off the farm takes away 125 lbs. of lime, and in every ton of milk produced there is a loss of about 75 pounds of this valuable material.

Surface lime deficiencies are showing up on many of our soils in Ontario. Even though the sub-soil may be well supplied, the top soil frequently requires dressings of lime to permit the establishment of seedlings. If in doubt about the advisability of using lime on your land, it may be of advantage to obtain a free copy of the publication No. 499 entitled, "Does Your Soil Need Lime?" put out by the Ontario Department of Agriculture. A soil test will also give you the answer.

While the use of lime is not required in all parts of the Province, due to areas of favorable lime content in the soil, the Ontario and Dominion Departments of Agriculture in co-operation with railway companies desire to assist farmers who require lime for their soils, by way of getting lime on the farms where needed at the lowest possible cost. To this end railway companies, operating within the Province, have agreed to reduce the standard freight tariff by 25 per cent on the transportation of lime.

In addition, the Ontario Department of Agriculture will assist by paying 50 per cent of the reduced freight rate not to exceed \$1.50 per ton. In Northern Ontario the maximum is \$1.75 and \$2.00 per ton according to area. This is a direct subsidy on each ton. In other words, if the freight rate from

CORONATION COMPOSERS

To mark the Coronation the CBC has commissioned nine works from Canadian composers, which will have their premieres in network broadcasts in the next few weeks. Among those so honored are two Torontonians: conductor Godfrey Ridout (left) and the dean of Canadian composers, Dr. Healey Willian, whose impressive five-part suite for chorus and orchestra will have its first performance in a broadcast conducted by the CBC's director of music, Geoffrey Weddington, on May 31st at 8.00 p.m. on the CBC Trans-Canada network. Ridout's work, "Coronation Ode," for chorus and orchestra, will be premiered at a later date. Ridout has composed well over 200 musical background scores for the National Film Board and the CBC; his other original works include the dramatic symphony "Esther," performed on CBC Wednesday Night.

soil to Sudbury is \$4.40 per ton a subsidy of \$2.00 per ton will be paid. The minimum quantity transported by rail on which the subsidy shall apply is 30 tons. The total subsidy is paid by the Provincial Department of Agriculture and 50 per cent, up to 75 cents per ton, is claimed from the Dominion Department. If the lime is transported directly by motor truck from quarry to farm, a maximum grant of \$1.00 per ton is available on the basis of three cents per ton per mile.

Limestone spreading by truck, directly from the car to the field, is effective. Here's how it operates:

The lime-spreading truck can carry about six tons, or so, which is loaded directly from the car, or quarry. As soon as the truck is loaded, the driver proceeds to the farmer's field, engages the lime spreading unit which is operated on a transmission take-off and spreads the limestone, in a belt about sixteen and a half feet wide, at about a speed of three miles an hour. The rate of application may be varied to suit the farmer's field requirements.

Twenty minutes after he drives in the field, the driver is off again for another load and, if the haul is not too long, he can handle a car of limestone a day, providing, of course, that he has some help in loading.

WAR ON RAGWEED NOW, PEACE FOR SNEEZERS PUBLIC HEALTH AIMS

"Hay fever may not be a direct killer, but it does cause thousands of weeks of discomfort, misery and loss of efficiency each year," notes Dr. L. A. Pequegnat, medical officer of health for Toronto, in a declaration of war on ragweed. He estimates that upwards of 50,000 persons in the city of Toronto alone suffer from hay

fever in some degree each year and many of them have associated asthma. "Public health is intensely concerned," adds Dr. Pequegnat, "because so much of hay fever can or could be controlled by individual and collective effort in the direction of removal or suppression of the principal offender — ragweed."

Here are six steps recommended for the control of hay fever:

1. Learn to recognize ragweed in all stages of growth.
2. Attack ragweed early, before the plant buds, blooms and gives off pollen.
3. Pull or dig out scattered plants and dispose of them carefully. Mow larger areas very short.
4. If growth of ragweed is abundant, use a 2,4-D spray.
5. Deal with new growth as it appears.
6. Garden, sod, or plant areas given to weed growth.

GOAT'S BEARD A PASTURE PEST

While it has at least the redeeming feature of not being able to stand cultivation, Goat's Beard, (*Tragopogon* species) can still get the farmer's goat if he lets it get ahead of him, says the Crops, Seeds and Weeds Branch of the Ontario Department of Agriculture in this week's "Weed of the Week" series which has proved so popular with readers.

There are several forms of Goat's Beard, Yellow Goat's Beard, *Tragopogon pratensis*, Purple Goat's Beard, *Tragopogon porrifolius*, and one also confused with yellow goat's beard, *Tragopogon dubius*. Other common names are Meadow Salsify, Wild Salsify and Oyster Plant.

Goat's Beard, all species, has a long,

slender tap root, upright stem, 1 to 3 feet tall, long, narrow pointed leaves. Flowers are large, yellow or purple according to species. In bud, or closed at night, the shape resembles a goat's beard hence the popular name. When sides are ripe, the seed head is about as large as a baseball, similar in appearance to the seed head of the dandelion only several times larger.

Purple goat's beard has been grown as a vegetable, which explains the other common names, salsify or oyster plant.

This weed does not stand cultivation, so has not become troublesome in crops. However, as a perennial which produces such large quantities of air-borne seeds, it can, and has become a serious pest on roadsides, in meadows and permanent pastures. It spreads very rapidly and is already too well-known in most of Southern Ontario.

It is susceptible to 2,4-D only in its early growth stages, prior to budding, so where this seed is to be controlled on roadsides or pastures by spraying the operation must be done early, usually by June 1st. Blossoms appear early in June, ripe seed by July.

Breaking up meadows or pastures where feasible will eradicate goat's beard. Early cutting to prevent seed ripening reduces further spreading. Regrowth after cutting will blossom again so two or more cuttings may be necessary each season.

Livestock Regulations Govern Community Sales

Designed to ensure a continuance of the high standard of health of Ontario Livestock, regulations governing the operation of community sales yards are now in force, W. P. Watson, Commissioner of Livestock for Ontario announced.

Operating under the Health of Livestock Act, the regulations provide for the licensing, inspection, and veterinary examination of all stock offered for sale in all yards except the Ontario Stockyards and sales of pure bred stock. Under the regulations operators of community sales yards must employ a veterinarian to examine all

stock.

Further provision of the licensing regulations calls for the removal of manure and refuse from the premises of the sales yard at least 24 hours before stock is received for sale by auction. Following the removal of the manure the premises must be disinfected with specified chemicals.

In addition a complete record of transactions showing the name and address of the consignee, the buyer and seller, must be kept by operators covering a period of not less than 12 months.

Under the Act the Commissioner or his inspectors may enter any premises or vehicle used for the storage or transportation of livestock for the purpose of enforcing the regulations.

Penalties for contravention of the Act or regulations provide for a penalty of not less than \$25.00 and not more than \$250.00 for the first offence and not less than \$50.00 and not more than \$1,000.00 for any subsequent offence.

Fee for the license for the operation of sales yards is \$25.00 and should be forwarded with the application to the Ontario Livestock Commissioner.

"Living" Subject of Paper Given At Monthly Meeting Stirling W.I.

Mrs. A. Gordanier Hostess — Splendid Programme Much Enjoyed By Members

Mrs. A. Gordanier was hostess to the ladies of Stirling Women's Institute on Wednesday night. The President, Mrs. Bronson, occupied the chair. The Ode was sung and the Lord's Prayer repeated. A nice thought in poetry was the roll call, with several paying their dues for the new term.

Mrs. S. McMurray read the minutes and presented bills and correspondence. A donation of cards was received from River Valley W.I. for the scrap book for children in hospital to be amused. A "thank you" message was received from Mr. Foote Wanamaker, Community Hall Caretaker. Mrs. W. C. West, W.I. Treasurer, gave the remaining reports of the year's receipts. On behalf of Mrs. A. Stevenson, Mrs. G. Megginson gave the auditor's report, stating that the books were in good shape. Mrs. W. H. Cooke, Property Convener, submitted a list of accounts receivable for rental of dishes.

The Quilt Convener, Mrs. C. Wright, was absent, but it was reported she had completed another quilt. Extra blocks were handed in at this meeting, making another quilt for the needy. Some of the ladies reported giving clothing to the Salvation Army and more is to be handed in, including a new quilt.

Mrs. P. Bronson, leader of the Girls' Work in the "Supper Club," asked permission to put an advertisement under the W.I. Crest, which was given.

A discussion ensued on a motor educational trip, with Mrs. W. West, Mrs. S. McMurray and Mrs. L. Rodgers appointed as a committee to arrange for same. The Extension Service choice is to be decided at the Annual. The Stirling Branch's first choice is "Brighten your home with color," which takes an afternoon, while the second is "Curtains and Draperies," which takes two and one-half days.

The matter of doing something to commemorate the Coronation was discussed at length and it was decided to place a large picture of the Queen in the Community Hall. Mrs. L. Rodgers was appointed to have charge of this matter.

Mrs. S. Kirkby and Mrs. Don Thompson were named as a committee to raise funds for the W.I. in the near future.

Good Programme

The programme which was convened by Mrs. A. Gordanier, opened with a reading, "Mother's Work Basket," by Mrs. Louis Rodgers, followed by a humorous reading, "The Wrong Train," by Mrs. Mina Lake.

Mrs. E. Foster gave the topic, "Living." Renewed happiness and hope would blossom out all over this earth, if more people would refuse to think and live negatively. Worrying over things which rarely happen and suspecting what nearly always turns out to be untrue creates faulty thinking and an abnormal way of life. The penalty is ill health and an unhappy state of mind.

Peace of mind and heart is an objective worthy of every effort. Always expect the best and always give the best; believe in love and mercy of God; give cheer and hope to others; they will return abundantly enriching the giver as well as your mind with the best living. Our good book says, "Let not your heart be troubled." We were put in this world to give love—not hate—and lend a hand. It is just as easy to rise in spiritual wealth as in material and is far more profitable. And again our Bible continues: "And neither be afraid." Fear always results in fatigue and mental weakness. More and more of us should be "swept" and "purified" by the great Angel of pure reason.

A great scientist once said, "Do not let your self be tainted by a barren skepticism. There is more and I have found it. There is a God." It's the gathering.

Get Your Tickets Now!

Have you got your tickets for the Chamber of Commerce dinner meeting at Sterling Hotel tomorrow (Friday) night at 7 o'clock? If not they may be procured from the Secretary, D. R. Patterson, or at the News-Argus Office.

Trevor Hamill, Manager of the Ontario Chamber of Commerce, will be the guest speaker and pictures of the Canadian Rockies will be shown by J. V. Holt. The supply of tickets is limited so act accordingly.

Engagement

Mr. and Mrs. Herman Vardy, Stirling, wish to announce the engagement of their daughter, Irma Jane, to Samuel George Stapley, son of Mr. and Mrs. Nelson Stapley, of Stirling. The wedding is to take place on June 6th, at 2 o'clock in Grace Chapel, Stirling.

Annual Inspection Of Mail Boxes

Is your mail box in a convenient position for the mail carrier? Is your name clearly indicated?

Rural residents of the Stirling area have until June 30th to dress up their boxes. Who will win the coveted silver "cartwheels" on Stirling Rural Mail Routes numbers 1, 2, 3 and 4?

Winner of Public Speaking Contest

Margaret Rose Ray, 12-year-old daughter of Mr. and Mrs. Percy Ray, Harold, was the winner of the Rural Public Speaking Contest held at the Madoc Town Hall on May 14th. She will compete in Belleville in September with other County winners. Mrs. Thomas Fleming, of Ivanhoe, is her teacher at S.S. No. 11, Rawdon.

A Kind Act

Members of the "Sunshine Club" on the Eighth Line of Rawdon, provided a ray of sunshine to a neighbour, Mrs. L. Wallace, who returned last week to "The Homestead" for the summer months. Hearing of the date of her return, the members gathered with their lawn mowers and had the spacious lawn mowed and neatly trimmed upon her arrival. Needless to say, their efforts were greatly appreciated.

God within us that charts our course. Life would be meaningless otherwise. Take heart, relax happily. You can have inner peace; it is yours for acting. "Let not your heart be troubled neither be afraid."

Mrs. Louis Rodgers demonstrated the making of a hooked rug, starting with the proper materials, putting only one kind of material in a rug, such as cotton or all rayon, all wool or all nylon. This is followed by the dyeing, variety of shades, cutting proper width of strips, strong firm frames for burlap and the even pulling and height required.

When the rug is completely hooked, take a discarded sack and spread wallpaper paste on one side, let dry, and tack to under side of finished product. By doing this, rug will not slip on floor and is a safeguard to injuries. The demonstrator had a finished rug of all nylon material.

The meeting closed with the new President, Mrs. S. McMurray, leading in repeating the Mizpah Benediction.

Lunch was served by the committee on Mrs. Gordanier's group. At the close of the social hour, Mrs. P. Bronson moved vote of appreciation to the hostess, lunch and programme committees for the lovely evening together.

CARRIER BOYS ENJOY TRIP

Glenn Scott, Barrie Newton and Doug Harding, were guests of the Toronto Telegram on a trip to Buffalo over the holiday weekend. Leaving here at 6:30 p.m. Saturday with Ken Johnston the District Representative, they spent the night in Oshawa and reached Toronto Sunday morning, where they joined a number of other "Carrier" boys for the sightseeing trip.

Some of the points of interest visited were Brock's Monument, at Queenston; Niagara Falls; U.S. Naval Air Station and Buffalo Zoo.

They arrived home in the wee small hours of Tuesday morning after a wonderful trip.

Guest Speaker At Coe Hill Club

H. C. Martin was the guest speaker at a meeting of St. Andrew's United Church Men's Club, Coe Hill, on Wednesday night. Pictures of Alaska were also shown by Mr. Martin. He was accompanied by Rev. and Mrs. K. J. Crawford, of Marmora.

F. W. Houchin Chosen Chairman District Zone Postmasters' Assoc.

Five Electoral Districts Included In Zone — Plans Made For Prov. Convention

F. W. Houchin, local Postmaster, was elected Chairman of the District Zone of the Postmasters' Association at the annual meeting held in the Lounge of the Bata Shoe Company, at Batavia, on Wednesday last.

Other officers chosen were Secretary-Treasurer, Earle Rodgers, of Frankford; Executive, G. V. Westfall, Carrying Place, rep. Prince Edward and Lennox; F. Windsor, Cannington, rep. Hastings South; F. Whalen, of Keene, rep. Peterborough West; F. Crate, of Hastings, rep. Northumberland; W. Hickey, of Marmora, rep. Hastings Peterborough.

Dominion Secretary, J. Ferris, of Campbellford, and Provincial Secretary Scott Brandon, of Cannington, were both heard from, the main topic being the Provincial Convention which will be held at Peterborough in this Zone on September 21st, 22nd and 23rd. Various reports and discussions followed.

After adjournment, a social hour was enjoyed and the gathering partook of a buffet lunch before leaving for home.

Thanks to the Bata management for their hospitality were expressed by the chairman and in reply Mr. Ritchie of the Bata Staff, extended an invitation to the Postmasters to use and enjoy the Bata facilities at any time.

Cheese Producers Told To Load Butter Market

District cheese producers were told Friday to load the market with butter in an effort to boost cheese prices.

W. R. McCreary, cheese buyer, told salesmen at a meeting of the Belleville cheese exchange that cheese factories should separate their milk and then sell the cream for the manufacture of butter.

"By loading up Ottawa with butter," Mr. McCreary said, "the cheese industry would get the co-operation of the government quicker than by running around in circles."

Government price support for cheese, 24 cents a pound from the federal government and six cents more from the Ontario government, was dropped last week. Government price support, however, is still maintained for butter. A flood of butter on the market would send prices down and would force the government to make large expenditures to maintain the guaranteed price.

REV. FR. LaMARCHE SPOKE AT TWEED

Rev. Father LaMarche was the guest speaker at the Ladies' Night of Tweed Knights of Columbus on Sunday night, May 10th.

His address was based on "The Dangers of Communism." Communism had as its original purpose the attainment of perfect happiness but it had degressed from that ambition a long way, stated the speaker.

It now robes man of his dignity as a child of God; robs him of his rights as an individual, and his right of living in his own Christian way," he emphasized. Fr. LaMarche noted that the Roman Catholic Church was working feverishly, to counteract the spread of Communism throughout the world, and told of the persecution of nuns and priests of the church at the hands of the Reds. "We must fight desperately to prevent the spread of this ideology," he concluded.

At Convocation

Miss W. Hay, of the local High School Staff, attended the Convocation Ceremonies at Queen's University, Kingston, on Saturday last.

Offering Boxes

127 Years Old At Centennial

First used in the Switzerville Methodist Church in 1826 where the first Canada Conference of the Methodist Episcopal Church was held in 1828 the original "collection boxes" have been kindly loaned to St. Paul's by the custodian, Mr. R. C. Craig, of Switzerville, and brought to Stirling by K. H. Freeman, of Yarker.

These will be used at St. Paul's next Sunday. They were used in Switzerville continuously for over 125 years.

300-Pound Bear Bagged Monday By E. Colden

A 300-pound male bear was shot on Monday afternoon on the farm of Goldie McInroy, of West Huntingdon, by Edward Colden, well known local hunter.

Mr. Colden, learning that a bear was believed to be in the area, set out with a companion and hounds. The dogs flushed the animal out of a swamp where Mr. Colden got in a head shot, which dropped the victim.

A tractor was needed to pull the animal to the road, where it was transported by truck to the Colden farm.

It is believed that there are more bears still in the area.

St. John's News

A large congregation took part in the Missionary Sunday Service at 11:00 a.m. Special prayers were read by Mr. John Chard and lessons appropriate to the theme were read by the Rector.

The girls choir sang, "Loving Shepherd of Thy Sheep," with Barbara Woodbeck and Lois Vandy singing the duet, which fitted in with two baptisms which took place after the processionals hymn. The daughter of Mr. and Mrs. Ernest Carr was christened Joyce Rose. Godparents were Mrs. F. Carr, Margaret and Jack Green. The son of Mr. and Mrs. J. Green was christened William Harold. Godparents were James McDonnell, Ernest Carr and Edna A. Crawford.

The Rector preached on Matthew 28, Christ's great commission to the Church. The portion of the Bishop's charge to Synod as it related to the subject of Missions was read and the M.S.C.C. Jubilee Year was brought to the attention of the congregation.

Canvas For Red Shield

Members of the Hon. J. R. Cooke Chapter of the I.O.D.E. are sponsoring a canvas for the Salvation Army in Stirling and vicinity. Anyone who is not canvassed and wishes to make a donation may leave the same at R. A. Patterson's Store. The subscription list will be kept open until May 30th.

Has Operation

R. B. Bell underwent an operation in Kingston General Hospital on Tuesday. The latest report is that he is progressing as well as can be expected.

Has Anniversary

A number of friends of Mrs. C. A. MacConnell gathered at her home on Friday last, May 15th, the occasion being the anniversary of her birthday. A happy afternoon was spent. Lunch was served and all sang, "Happy Birthday."

Rotary Speaker

The "Moira River Conservation" was the subject of an interesting address by Col. R. Vanderwater at the regular dinner meeting of the Rotary Club Tuesday night.

Introduced by Rotarian Bob Patterson, Col. Vanderwater emphasized the great need for conservation and the action taken by the Moira River Conservation Commission in Hastings County.

The thanks of the Club were extended by Rotarian Jack Finnigan.

Site Changed For Scout Beacon Fire

Boy Scouts, Girl Guides, Brownies and Cubs to Take Part in Programme

There's been a change in the site for the Scouts' Beacon Fire in commemoration of the Coronation of Tuesday, June 2nd. Instead of staging it on a site near the water tower, the programme will be held on the Stirling Fair Grounds.

All Scouts, Cubs, Girl Guides and Brownies will take part in the program and it is hoped there will be a large attendance of citizens from the village and surrounding district.

The Scout program will open at 9:20 p.m. and all the Scouts, Cubs, Guides and Brownies are expected to be in their places in plenty of time. Following is the program:

9:20 — Opening remarks by the Council Fire Chief, Frank Harding

9:30 — Lighting of fire by the Queen Scouts

9:35 — "O Canada" and "The Queen," led by R. A. Patterson

9:40 — Prayer, Rev. R. R. Bonsteel

9:45 — Songs by the Guides and Brownies, led by the Leaders

9:50 — Campfire songs by the Cubs

9:55 — Skits by the Scouts

10:00 — Leaders renew their Promise to the Queen, by Fire Chief

10:05 — Each Leader will renew promise of their group when called by Fire Chief

10:15 — Queen Scout renew Promise

10:20 — Second verse of the Queen

10:25 — Closing prayer, by Rev. H. C. Secker.

Many Baptisms On Stirling Pastoral Charge On Mother's Day

Proud parents and grandparents stood with their loved ones before the Baptismal Font at St. Paul's and Carmel Churches on Sunday last, (Mother's Day) to present their children for dedication to the Lord after the manner of Joseph and Mary when they presented the infant Jesus in the temple at Jerusalem.

At St. Paul's the following were baptised:

Elizabeth Rose Bastedo, born Jan. 10th, 1953 at Trenton, daughter of R. J. A. Bastedo and his wife, Marion Rose.

James Ronald Orser, born Jan. 17th, 1951, at Belleville, son of Ronald Glen Orser and his wife, Patricia Ann Ayhart.

Susan Rae Rose, born Oct. 15th, 1952, at Belleville, daughter of Charles Raymond Rose and his wife, Hilda Wannamaker.

David William Stapley, born March 31st, 1953 at Belleville, son of Grant Howard Stapley and his wife, Barbara 17th, 1953, at Toronto, son of Edmund

Ann Prince.

Danny Edward Jones, born March 18th, 1953 at Belleville, son of Albert Edward Jones and his wife, Joan Beverley Stapley.

Jane Elizabeth Bush, born February 19th, 1953, at Belleville, daughter of Jack Miller Bush and his wife, Joan Marie Hoard.

Grandparents

Many proud grandparents were in attendance. Large congregations were present both at St. Paul's and Carmel.

From Toronto

Susan Jean Tovey, born November 27th, 1952, at Toronto, daughter of Albert Joseph Tovey and his wife, Zellah Jean Cruickshank.

Wayne Edmund Morgan, born Dec. 4th, 1951, at Toronto, son of Edmund George Morgan and his wife, Lillian May Tovey.

Scott David Morgan, born March 31st, 1953 at Belleville, son of Grant Howard Stapley and his wife, Barbara 17th, 1953, at Toronto, son of Edmund

George Morgan and his wife, Lillian May Tovey.

At Carmel

Judith Marilyn Hart, born Nov. 18th, 1952 in Rawdon Township, daughter of Ross H. Hart and his wife, Mary Grace Hellwell.

Patricia Lynn Stapley, born Nov. 16th, 1952 in Rawdon Township, daughter of Clayton James Stapley and his wife, Mary Viola Sine.

Mother's Day Gifts

Five large print hymnaries, the love gift of Miss Gertrude Beresford, were dedicated on Mother's Day in loving memory of Mrs. Beresford, Mrs. W. S. Irwin, Mrs. Warren Preston and in tribute to two wonderful daughters, Mrs. A. E. Baker and Mrs. Walter T. Elliott.

Memorial Gift

Mr. Bryce Philip has saved his fifty cent pieces to honour his mother, Mrs. R. H. Philip in perpetuity. On Mother's Day he gave a lovely gift to the Endowment Fund. As a result a new oak name plate reading "Maude Preston Philip 1950 +" has been added to St. Paul's Endowment Directory. This act by Mr. Bryce Philip is most commendable. The Latin Cross after the name indicates it is a gift "In Memoriam."

Two Hundred Dollar Gift

Prior to the service the Minister was given two one hundred dollar bills plus a ten dollar bill to honour the memory of two mothers and to cover the cost of carving their names on the Memorial Directory. The money will go to the Endowment Fund of St. Paul's Church and the names will be made known at a later date.

Music and Flowers

A beautiful memorial basket of cut flowers graced the Holy Table, the gift of Mr. and Mrs. Robert W. Philip in loving memory of Maude Preston Philip, mother of Robert. A lovely vase of white trilliums was the thoughtful ministry of Mr. Harold Hagerman. Spring blossoms flanked the pulpit area at St. Paul's.

The Royal Choir sang the theme M-O-T-H-E-R and a Spring Prayer, while the Senior Choir a winsome arrangement of the Shepherd's Psalm. Mr. Ted Reynolds effectively interpreted Kipling's, "Mother O' Mine."

At Carmel

Trilliums and white and yellow violets with flowering plants provided the seasonable flowers.

Bible For Holy Table

A copy of the New Standard Revised Version of the Bible was dedicated in loving memory of Mary Elizabeth Weaver (Mrs. Wm. M. Carlisle) and lovingly placed on the Holy Table. It was the love gift of her three sons, Ernest, John and George Carlisle. Everyone of these sons with two sisters were in attendance at this service.

A special lithographed order of service was issued with embossed white and red carnations.

Special Gift

Mr. and Mrs. Walter T. Elliott sent three dozen lovely white and red carnations, a gift to each member of the choir. These were worn on their surplices over the heart.

Toronto Guests

The Toronto visitors including the three little ones dedicated in Baptism, enjoyed a grand dinner and visit in the Church Parlour where the supplies they brought were implemented by local supplies provided by Mrs. Elliott and Mrs. Baker who acted as hostesses.

Clerk of Session

Mr. George Carlisle, Clerk of Session, had full charge of the Baptismal party the issuing of certificates and general supervision of arrangements. Water from the River Jordan in the Holy Land was used at St. Paul's and Carmel. Many visitors signed the guest register.

Thrilling Rescue

Mr. R. E. Fox gave chase to 18 months old Wayne Morgan, who unnoticed had set out from the Church to see our village on his own. He was rescued and returned through the interest and speed of Mr. Fox.

Splendid Meeting

St. Andrew's W.M.S.

The May meeting of St. Andrew's W.M.S. was held Tuesday afternoon in the church parlors. The president, Mrs. L. Rodgers presided and opened the meeting by all singing the hymn "For the Beauty of the Earth". Mrs. Don Fargey read the Scripture lesson which was the twenty-third psalm. Mrs. L. Rodgers led the meeting in prayer.

Mrs. W. L. Munro conducted the roll call. The word "beauty" was the keyword. The absence of some of our faithful members was regretted. Some of our members who are sick will be remembered from day to day in our prayers. It is earnestly hoped that with God's help our sick members will be restored to strength and health and able to join our work again. Mrs. W. L. Munro read the minutes of the last meeting.

Mrs. C. B. Rollins gave an account of the work for the bale. It was decided that we should pack the bale at the meeting in June. All members are urged to have their donations ready for that meeting.

Mrs. R. A. Hermiston gave the account of the treasury. The response of the mite boxes and the Easter offering was most gratifying. After the collection had been taken, all joined in singing the doxology. Mrs. L. Dafoe gave a most suitable reading, entitled, "Flowers".

Mrs. R. H. Williams gave the synopsis of the Glad Tidings. In the opening editorial an announcement is made of the Council meeting which will be held in St. James Church, London, Ontario, of the Society this month. Being the annual meeting of the Society, it is of vital importance and interest to every member, no matter to which auxiliary she may belong.

From the seven Synodicals will come the elected delegates representing our membership from British Columbia to Quebec and these delegates together with the members of the Council Executive will make the decisions for our work for the year to come.

This meeting can be an eventful one, breathtaking in its scope and influence but we follow the path outlined for us. Will you come together in a fellowship of prayer that the spirit of God may be present with us as we conduct the business and seek to solve the difficulties and problems of the whole work entrusted to us that all may be done to the honour and glory of His Holy Name?

The Summer Rally of Kingston Presbyterians will be held in St. Andrew's Church, Picton, on June 19th. All members of the Society are invited to attend.

The Mizpah benediction closed this part of the meeting. Afternoon tea was served by Mrs. Don Fargey and Mrs. R. H. Williams. Mrs. Percy Craighead expressed the thanks of the Society for the fine missionary program and lunch.

A Texan has divorced his wife because she criticized the way in which he washed the dishes. And that is something that no really manly man will tolerate.

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

Centennial Year

Opens

St. Paul's, Stirling, will be the focal centre for hundreds during the year commencing at high noon, May 24th. Sunday School will meet at 9:30 next Sunday. A special Centennial Observance of the Sacrament of the Lord's Supper will precede public worship conducted by the Rev. George Telford, President of the Bay of Quinte Conference. This distinguished churchman and scholar will address the congregation, receive the ceremonial trowel and officiate at the dedication and un-

veiling of the corner stone of the first church edifice in Stirling, now placed in the present building.

The Lord's Supper

Members' tickets will be issued as was the practice a century ago. These should be returned at the special observance of the Sacrament of the Lord's Supper. They will later be endorsed by church officers and returned. Many will covet the possession of these tickets to hand down to generations unborn. Any member failing to receive one of these tickets before Sunday should obtain one on arrival at the church. They are intended primarily for the 10:30 a.m. simply ordered observance, which will conclude at 10:45 a.m. The great public service will begin at 11 a.m. All in the spirit whether members or visitors are invited to attend the 10:30 a.m. service. Doors will be tilted from 10:30 to 10:45 a.m.

Ridge Road

P.S. (S.S. No. 1)

The pupils and their teacher, Mrs. Eva McGee of the historic Ridge Road Public School, No. 1, Rawdon Township, by special invitation will take part in the evening service. Every parent, public school teacher and trustee should hear these scholars.

Salvation Army

In a service including members of the Belleville Salvation Army Band and songsters the part of the Army in the past century in Stirling will be recognized. It will be thrilling to hear these consecrated bandsmen and sweet voiced choristers.

Noted Officers

Lt. Col. Walter R. Putt, veteran editor of the "War Cry"; Lt. Col. W. Effer, world traveller and District Commanding Officer, Senior and Junior officers from Belleville and Tweed, as well as many Army soldiers will be present. The citizens of Stirling will rejoice in the presence of these "Soldiers of Christ."

Rawdon Parsonage

Rev. and Mrs. R. R. Bonsteel graciously opened their hearts and their home last Wednesday night for the Westside Cottage Meeting. Elder W. L. Fox presided and led in prayer. Elder J. L. Good read the Bible Lesson. Mrs. Bonsteel presided at the piano. Mr. Wm. Reynolds was guest soloist singing, "The Old Rugged Cross."

Mrs. Sharpe Speaks

The special speaker, Mrs. J. Sharpe, in an impressive message said: "No one can bear a cross without prayer."

"The Bible is full of everlasting promises for us to rest upon."

"We won't pay rent in heaven and we cannot pay our way in."

"A humble penitent heart is necessary for invitation to Christianity."

"God's people must lead out against evil."

"The resurrection Jesus in spirit is passing this way once more."

Mrs. Bonsteel assisted by some kind associates served tasty refreshments during the after service fellowship.

Rural Life

At St. Paul's last Sunday rural life was emphasized in a special order of service.

Carmel

The afternoon service was replaced last Sunday by a special Young Adult Service at night with Rev. S. E. Larman, of Holloway Street Belleville, as guest speaker and the Batawa United Church Choir as guests in praise leadership.

Camp Quin Mo Lac

Mr. J. L. Good, convenor of the Quin Mo Lac Camp Appeal reports \$150.00 collected and sent in for this worthy project. To each contributor and to Mr. Good a sincere "thank you."

Happy Birthday

The birthday of Miss Marilyn Rose was recognized at St. Paul's Mother's Day. Last Sunday a happy birthday was sung for Douglas Warren, Ross Carlisle and Marion Warren.

Wedding Bans

These were read last Sunday at St. Paul's. Bans will be read for the first time in the history of the Church at Carmel "Church of the Prophets" next Sunday.

Recovers Body

The body of Bobby Panetta, 3, missing since Friday, was recovered at Campbellford Sunday afternoon in the Trent Valley Canal.

Only son of Mr. and Mrs. Robert Panetta, Faircrest Circle, East York, the boy is believed to have fallen into the canal while trying out his father's fishing rod. Donald McArthur found the body lodged against a rock after water in the canal had been lowered.

Mrs. Don Scott Hostess To River Valley W.I.

River Valley Women's Institute convened Thursday, May 14th, at the home of Mrs. Don Scott with 22 members, 3 visitors and several children in attendance.

The President opened the meeting and the Secretary, Mrs. J. L. Donohoe, gave her report. The correspondence included messages of thanks. Plans were made for District Annual at Scott's United Church on May 27th.

The five voting delegates will be Mrs. E. Heasman, Mrs. J. L. Donohoe, Mrs. Donohoe, Mrs. Will Ashby and Mrs. Jack Sager; alternate, Mrs. Roy Bush. Roll Call was answered with a spring resolution. Mrs. Donohoe was appointed Resolutions Convener. A committee, Mrs. Roy Bush and Mrs. Gilbert Finkle were appointed to look after suitable plans for commemorating the Coronation at River Valley School.

The Extension Service booklets were distributed and "Brighten your home with colour" was the first choice. The next meeting will be held June 4th at the home of Mrs. Fred

McDonell. Topic "Coronation." Convener will be Mrs. Harry Morrow and Mrs. Jack Sager.

The President, Mrs. Edward Heasman, delegate to Guelph Conference, gave a vivid description of the trip and a good educational outline of the conference. She brought a wealth of valuable information gleaned during the various sessions with "Home Economics and Health" as the predominating subject and all enjoyed her synopsis of the three days.

Mrs. Percy Utman and Mrs. Fred McDonell extended thanks for the splendid report. All repeated the "Mary Stewart Collect," after which the hostess and executive committee served refreshments.

Mrs. Frank Carr extended a vote of thanks for hospitality.

West Huntingdon W.M.S. and W.A.

The W.M.S. and W.A. of the West Huntingdon United Church held their May meeting at the home of Mrs. William Grant on Thursday, May 7th at 2:00 p.m. with a goodly number in attendance.

The meeting opened with the call to

worship. "Let Down Your Nets," was read by the President, Mrs. Dan Cooke. The hymn, "How Firm A Foundation," Prayer was given by Mrs. John Jeffrey, followed by Scripture reading, Hebrews 11: 1-10 by Mrs. Mac Saries; reading, by Mrs. Melville Reid; solo, Mrs. William Grant; offering and dedication prayer. Mrs. Dan Cooke, message on "Faith," Mrs. John Jeffrey, Hymn "My Faith Looks Up To Thee," was sung. Mrs. Russell Sills gave a reading. The Study Book was reviewed by Mrs. William Grant. Roll call was done by a verse of Scripture with the word "Faith" in it.

Business and announcements were discussed by the President, Mrs. D. Cooke. The meeting closed with the singing of the hymn, "Eternal Father Strong To Save" and the Benediction.

Mrs. John Moorcroft thanked the hostess for the tasty lunch and all enjoyed a social half hour.

Ivanhoe W.I.

There was a good attendance at the Ivanhoe W.I. meeting at the home of Mrs. Harry Vimicomb on Tuesday of last week. Mrs. E. McMaster, the President, presided and opened the

meeting by reading a lovely poem, "God Shows in Your Face," after which Miss Jayne Gay gave a talk on the rules and regulations of "The Hand Book."

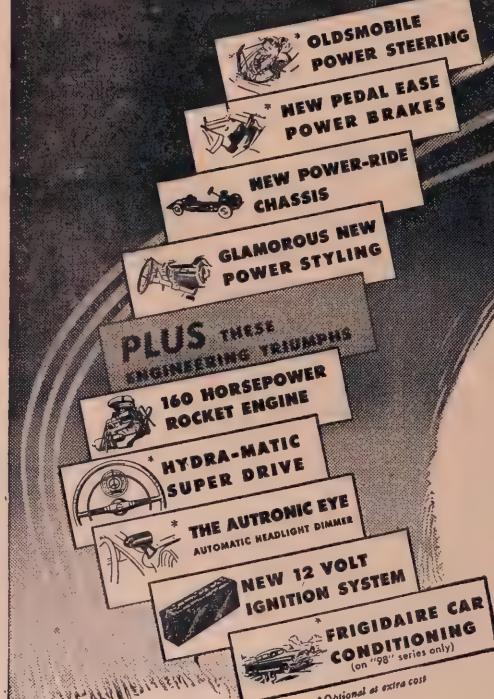

Extensive business was discussed. It was recommended that the Institute monthly meeting would be held the second Wednesday of each month for the coming year. Plans were laid for the District Convention to be held on the 28th of May at the Ivanhoe Presbyterian Church. Delegates to this convention were named as follows: Mrs. E. McMaster, Mrs. S. Ellis and Mrs. G. McIntyre.

Mrs. C. Seebie gave an interesting reading, "When Mother Scrubs." Mrs. M. Shaw demonstrated a "Coronation Salad." Miss Jayne Gay who was delegated to the Folk School, gave a splendid talk relating many points of interest given by the guest speaker at his school, which was very educational. The president expressed her thanks to the hostess.

A social half hour was enjoyed by all. The meeting was closed by singing the National Anthem.

St. Andrew's Mission Band

The Maple Leaf Mission Band of St. Andrew's Presbyterian Church was held on Saturday afternoon in the Church Parlours with a good attendance. The meeting was opened by singing "Very Softly I Will Walk." The Scripture was taken from St. Matthew 5: 1-12, followed with prayer by Carol Fargey.

The minutes of the last meeting and roll call were read. The Treasurer gave a complete report which was very encouraging. Business was dealt with. The treat for June will be

brought by Sally Fox. Murray Rodgers lifted the collection which was dedicated by Allan Johnston.

The hymn, "God Sees The Little Sparrow Fall," was sung. Gena Spy gave a very interesting reading. A piano solo by Sally Fox was enjoyed. In the absence of the leader, Mrs. Jas. Johnston, Mrs. Don Fargey continued with the story of "Nyanga's Two Villages." The meeting closed by singing, "When Mothers of Salem," and prayer by Mrs. Walker. A treat from Carol Ray was enjoyed.

Mount Pleasant Rawdon W.M.S.

The regular meeting of Mount Pleasant, Rawdon, Woman's Missionary Society, was held on Wednesday at the home of Mrs. John Holmes. There were sixteen members, five visitors and several children in attendance.

Mrs. Ross Hoard played quiet music and Mrs. Burton Sharpe read a poem, "Lift Up Your Hearts." All sang, "The Glory of the Spring" and repeated in unison the 23 Psalm. Mrs. Percy MacMullen gave minutes and roll call. Mrs. Ross Jeffs reported forty-four dollars for April. The offering was dedicated and the Stewardship Secretary gave a paper on "Giving what we have to those who have not."

A letter re Christian Citizenship from the Presbyterian Secretary was read and a clipping, "The Wife's Advice." Mrs. Milford Wrightman read "What Colour Is Peace." The June meeting will be held at the home of Mrs. Will Potts with Mrs. M. Wrightman in charge of programme.

Mrs. Will Potts presided over her programme. In place of the usual Study Chapter Mrs. R. R. Bonsteel gave "Information On Africa." She prefaced her address with early history of that continent down through to the days when the Congregational Church was in charge of Mission work in Angola. Later this territory was taken over by the United Church and now new work is beginning in Rhodesia. She told of the work of R. L. Stephenson, Albert Switzer and others who have brought Christian Education to the Africans.

Mrs. Ross Hoard contributed a piano solo and Mrs. Herbert Smith read "A Country Trip In Africa."

The Devotional opened with "Zion's King Shall Reign Victorious" and Mrs. Roy Thrasher offered prayer. Mrs. John Holmes read a poem entitled, "God's Dreams" from the April Missionary Monthly and the Scripture Lesson found in 1st Corinthians. Mrs. Ira David read "Consider the Lilies" and Mrs. Will Jeffs sang with guitar accompaniment, "That's Why I Love Him." The service closed with the Hebrew Benediction.

Hog Cholera Closes Auctions In District

Sale of hogs at community livestock auctions has been indefinitely suspended as an immediate effect of an outbreak in Wellington County. Dr. George Fenball, V.S., announced Tuesday. This order affects the sales barns at Hoard's and Belleville in this area.

"Community" sales barns are under quarantine in so far as accepting and selling hogs is concerned," Dr. Penhall said. He is district supervisor for the health of animals branch of the federal Department of Agriculture.

Crowded Corn Cuts Down Size

Don't crowd your corn! That's the advice of Bob Keith, CBC's Ontario Gardner.

Talking about corn planting in a recent Sunday-morning broadcast, Bob said: "If you plan on having some corn in the garden just remember it must have room to grow properly. If crowded, the cobs will be small and poorly-developed. Sow the seed one to two inches deep, spacing them three to four inches apart in the row.

"Another system is to plant the seeds in hills, planting five to six seeds to each hill and have the hills three feet apart each way. If planting in rows, have the rows three feet apart also.

"When the seedlings are a few inches high, they should be thinned out. If planted in rows, thin them out to about 10 to 12 inches apart. If in hills, thin them leaving not more than three or four plants to a hill."

THE MIXING BOWL
BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! Freezing food has brought to homemakers a new and welcome concept of food preparation, meal planning, food budgeting and home management. For our part, it saves time and we have better meals.

Along with the enthusiasm expressed by homemakers and locker plant managers, however, there is evidence that more precautions are needed if all-round results are achieved. Poor packaging materials are chiefly responsible for poor results. Then, too, parcels not clearly labelled, cause problems since people open one end then fold together again and the seal is lost.

Do you recall hanging out wet clothes on a day so cold they froze stiff and dried from that frozen state? That is just what happens to unwrapped or improperly wrapped food for the freezer.

TAKE A TIP

- Freezing food contributes to good homemaking by the following benefits: (a) convenience; (b) better meal planning; (c) time and energy saving; (d) less frequent marketing; (e) easier entertaining and (f) money saving.

2. When a home freezer is kept almost filled the cost of operating is less than when only a few parcels are stored in it.

3. For full use of a home freezer consider freezing and storing of: home-grown produce such as fruits, vegetables, poultry and meat, —home baked goods, —extra loaves of bread and other bakery items for emergencies, —casserole dishes, stews or other prepared dishes for several meals at one time, —purchased fresh foods in large quantities, —purchased goods in small quantity servings, —also frozen packages from grocery.

4. Place packaged food in home freezer snugly along freezing wall or plate as soon as it is packed.

5. If food is being taken to locker plant, place each container, as it is packed, in refrigerator or very cold place until all are prepared, then take to locker plant in a padded box without delay.

6. Choose varieties of fruits and vegetables that are recommended for freezing. All varieties do not freeze well so do check with the Ontario Department of Agriculture office in your district.

7. These are the vegetables that freeze most successfully: asparagus, green and wax beans, broccoli, Brussels sprouts, cauliflower, corn, peas, spinach or chard, squash and pumpkins.

8. These are the fruits that freeze most successfully: strawberries, sour cherries, raspberries, blueberries, gooseberries, peaches, plums and rhubarb.

To Freeze Rhubarb

Choose tender stalks of good colour. Wash and cut stalks in 1 inch lengths. Remove root ends. Mix 2 cups granulated sugar with 11 cups rhubarb. Pack in moisture-vapor-proof boxes.

Seal. Label.

Note: (1) Rhubarb sauce may be prepared for table, then chilled and packaged for freezing leaving $\frac{1}{2}$ inch head space.

(2) Stalks of rhubarb may be tied in bundles of six pieces then wrapped in moisture-vapor-proof paper and sealed securely. Label and freeze.

To Freeze Asparagus

Select young tender stalks with tightly closed tips. Remove scales and break off the white ends. Wash thoroughly and cut stalks in lengths to fit containers. Place asparagus in colander of cheese cloth bag and immerse in a kettle of boiling water for 30 seconds. Immediately transfer to a second kettle of boiling water and watch the boiling time in this kettle for 3 minutes. (Blanch about 1 lb. at a time.) Chill immediately by placing in cold water with ice cubes in it. It requires about 3 minutes to cool, then drain. Package and cover with a cool brine solution made of 1 qt. of cold water with 1 tablespoon of salt stirred to dissolve. Seal and label.

Anne Allan invites you to write to her c/o News-Argus. Send in your suggestions on homemaking problems and watch this column for replies.

Interesting Meeting St. Paul's W.A.

St. Paul's W.A. met in the Church Parlours on Tuesday, May 5th, for their regular meeting. In the absence of Mrs. Wells, Mrs. Geo. Carlisle, the Assistant President, presided and opened the meeting with the theme song and prayer. The calling committee reported 25 calls. Mrs. Thompson and Mrs. Way are the calling committee for May.

Good used clothing for a bale for Korea is to be left at the church parlours within the next two weeks, preferable on Thursdays when the church

is open. A delegate and several ladies will attend the Annual Convention in Tweed on May 28th.

Mrs. Harold West, convenor of the group presided for the afternoon's programme which centred on "Beauty of Flowers." Appropriate hymns were sung and a poem read by Mrs. West, entitled, "The Gentle Gardener. Mrs. E. Reynolds read the Scripture Lesson from Isaiah and Mrs. Harry Vandervoort led in prayer. A very lovely duet was sung by Mrs. Thain and Mrs. West, "Would God I Wear An Apple Blossom," accompanied by Mrs. A. E. Baker.

Mrs. C. Vance
Guest Speaker

Mrs. C. Vance, our home-town florist, was the guest speaker and was introduced by Mrs. West. She took as her subject, "Floral Arrangements." Mrs. Vance in her gracious manner, brought many helpful ideas in the care of cut flowers and the different arrangements. Several of the ladies were lucky winners of the roses and gladioli following the demonstration.

Mrs. West conveyed the thanks of the W.A. to Mrs. Vance for coming and giving such a pleasing demonstration.

Drowned In Moira

David Derlaw, 18, waved to his girl friend to join him for a swim in the Moira River Saturday afternoon, slipped on the rocks and fell to his death.

Coroner Dr. J. Russell Scott, who pronounced the young swimmer dead after more than two hours of inhalator treatment, said he apparently injured himself in the fall from the rock ledge.

What Others Say!

COUNCIL SHOULD STAND FIRM

(Marmora Herald)

Many Marmora ratepayers feel that the Council should refuse to accept the Assessment for Centre Hastings High School area proposed by the County Assessor. If the village had water works, paved streets, etc., and other modern conveniences, there might be some reason for accepting an assessment which would be two or three times as high for ordinary homes, on the basis of their actual value, as in the assessment for rural areas. To accept it even under protest, practically annuls any chance for a revision in future years. Before accepting let the Municipal Board decide.

"JUNIOR JUMBLE"

News of Interest to Hastings Junior Farmer and 4-H Clubs

(By J. Allen Francis)

During the past week there have been several Junior Farmer Meetings and 4-H Club Meetings in the County. On Monday afternoon, May 11th, the North Hastings Potato Club held their meeting and the club members received their seed for the club project. This year the Potato Club members will be planting the Green Mountain variety. Monday evening, May 11th, the Tyendinaga Junior Farmers held their monthly meeting at the township hall, at Melrose. The subject of the meeting was, "Soils and Land Use." Following a showing of a film, "Land in Trust," Allen Francis commented on "Soil Fertility and Cultural Practices." Wednesday evening, May 13th, the South Hastings 4-H Tractor Club held a meeting in the office of the Ontario Department of Agriculture, in Stirling. Mr. Ralph Gregg, Agricultural Engineering Fieldman for this area, had charge of the meeting. The subject of the programme was "Fuels and Carburetion." The club members saw films on the production of gasoline and fire precaution for gasoline fires. Mr. Gregg discussed carburetors and their operation. In the tractor club project, club members learn the proper care, maintenance, and operation of the farm tractor. On Thursday, May 14th, the Sidney Junior Farmers held their meeting in the Marsh Hill School.

Boys and girls interested in joining any of the 4-H Clubs in the District, should contact the Ontario Department of Agriculture, Stirling, or your Local Club Leader, immediately. This is the last week that club applications will be taken and to avoid disappointment we suggest that you enrol now. The projects this year are calf, grain, grain corn, and tractor. The grain corn club project is a new club for Hastings County. As a project the club member will sow and keep records on one acre of grain corn. The club members will be using the variety Canbred 210.

Rawdon Junior Farmer Meeting

The Rawdon Junior Farmer Club played host to the Hungerford Junior Farmer and Junior Institute Clubs at the Stirling Community Hall, on Tuesday evening, May 12th. Following the business section of the programme, Don Martin, County Director, led a panel discussion on the Ontario Junior Farmer Conference and Annual Meeting. Making up the panel were Marlene Carlisle and Douglas Cotten, from Rawdon; and Phyllis Kleinstuber and Rosa Bateman, from Hungerford. The panel members discussed the programme thoroughly, and all were agreed that the Conference was a success. Some of the highlights of the Conference were the Junior Farmer Church Service, the discussion by the delegates from Scotland, United States, Alberta and Australia, the address by Dr. Norman High, Director of the Two Year Associate Course at Guelph, and the Annual Banquet. Following the panel discussion the Hungerford Club supplied the programme which consisted of piano selections, Mardelle Wheeler; duet, Gordon McInroy and Boyd Moorcroft; skit, Iva Thompson, Fred Waite, Eileen Blakely and Phyllis Kleinstuber; solo, Douglas Lynn; reading, Eileen Blakely; quartette, Iva Thompson, Evelyn Emerson, Gordon McInroy and Boyd Moorcroft. Following the programme, Marlene Carlisle of Rawdon led in recreation and following lunch, the meeting closed with the Queen.

First high altitude photographs recording a total eclipse of the sun were taken by the RCAF in July 1945. Flying at an altitude of 34,000 feet, an RCAF Spitfire photographed the phenomenon. A Mitchell and an Anson also took part in the operation from Rivers, Manitoba.

WEED OF THE WEEK

CANADA THISTLE A PROLIFIC SEEDER

Canada Thistle (*Cirsium arvense*) was once prescribed by ancient Greek doctors as a cure for swollen veins, but nowadays its only therapeutic value seems to be to raise the blood pressure of Ontario farmers, says C. H. Kingsbury, of the Corps, Seeds and Weeds Branch of the Ontario Department of Agriculture.

As Scottish in appearance as the traditional kilt, with its purple or pink tam-shanter flowers, Canada Thistle, before it migrated from Europe and unfortunately settled here, was known as field thistle or creeping thistle. Its deep cut prickly leaves are a warning to handle it carefully.

Male flowers produce no seeds but the female plants can release three to five thousand seeds in a single year. Each germinating seed sends out root stocks to build up colonies or clumps of up to fifty plants, all tracing back to the original seedling. These root stocks have been traced for ten or fifteen feet through earth before they send up shoots.

The plant flowers in June so if present in a hay field cutting in early June prevents it going to seed. A second cut of hay can be taken off and the field then plowed deeply and kept worked. Row crops the following year help to clean out this weed.

If present in grain not seed down, a 2,4-D spray at the rate of six to eight ounces of acid per acre in early June will kill the tops. Repeated spraying is necessary to kill the roots but a combination of cultivation and chemicals will clean out Canada Thistle.

Good Chick Breeding Practices

Good chick brooding practices need not be complicated, advises W. G. Hunsaker of the Poultry Division, Experimental Farm, Ottawa. The primary requirements for success, he says are a suitable house to keep the chicks comfortable, temperature regulation, good nutrition and disease control. While these fundamentals are, no doubt, quite familiar to all poultrymen, it may be well to keep a few points in mind regarding each.

First of all, housing. An important point to keep in mind is overcrowding. The most satisfactory results will be obtained when the chicks are brooded in small lots of not more than 250-300 per lot. Allow one square foot of floor space per two chicks, up to six weeks of age, when the floor area should be increased to one square foot per bird.

Proper regulation of the brooder temperature is essential for successful brooding. The generally-recommended temperature of 94 degrees F. under the hover which is lowered 5 degrees each week, should be used only as a guide. The best indication of the temperature required is the behaviour of the chicks. The successful poultryman will observe his chicks closely, especially as they settle down at night when they should be scattered in an even circle around the edge of the hover.

Many poultrymen tend to keep the general brooder house temperature too high. The room temperature should be 65 to 70 degrees and can be lowered further toward the end of the brooding period. Cooler temperatures away from the hover will result in more vigorous, better-feathered chicks.

An important point to keep in mind is the hopper space required. Allow one inch of feeder space per chick for the first four weeks then at least two inches per chick until they go on range. Keep mash before the chicks at all times. Fresh, clean drinking water should be supplied each day.

With the exception of some of the more serious but less prevalent virus

Salvation Army At St. Paul's Church, Sunday Next, May 24th

GEN. WM. BOOTH

On Sunday, May 24th, the Salvation Army will participate in the opening of Centennial Year at St. Paul's United Church, Stirling. This day is historic in the life of the Army since it was on May 24th, 1882 that the Salvation Army began its work in Canada at London, Ont. A year later a small outpost was established in Stirling where the then vacated Methodist Church situated where the present Parsonage is was used as a Citadel.

For upwards of nine years the Army maintained regular local services. They then withdrew and placed Stirling under the Tweed command. Col. Walter R. Putt, who was Editor of the War Cry for twenty-five years and at one time stationed at Tweed will be one of the special Centennial guests.

The Army will hold an open air service at the War Memorial at 6:45 p.m. next Sunday, May

24th. This will be followed by a service in the Church. The Belleville Band and Choristers will lead the praise. The evening service at Belleville will be withdrawn. Members of the Tweed Corps will also attend. In addition to Col. Putt, Lt. Col. W. Effer, who recently arrived from Australia, Senior Capt. Brightwell and Lieuts. Brown and Peterson will attend.

Stirling and district are in for a great service of gospel witness and praise at St. Paul's next Sunday evening.

diseases, the poultryman's biggest disease problem during the brooding season will likely be coccidiosis, which can now be controlled. The use of sulphquinoloxaline in the mash at the rate of six grams per 100 lb. of mash, has been shown to be a good preventive. In the case of an outbreak of coccidiosis, sulphamethazine should be used in the drinking water immediately.

to year. The one little garment through the long year of separation. To give a child to the Lord is no light matter. As mothers should realize the importance of giving our children early to God; also this is most important, give God our children and having done this leave them to His watchful care.

Scripture Passages were read by Mr. Harold Thompson. Mrs. John Wallace, Sunday School Supt., spoke on "Home and Mother."

Children are a great, a dangerous and responsible trust. They are the property of God given to parents as a loan, that they might be trained in body, mind and spirit. Their characters and destiny in after life will be the fruit of our dealing with them. Every child will be a parent's glory or a parent's shame. A mother is a symbol of sacrificial love. Let every mother remember children are just volumes of blank paper but upon them will be written the record of mother's

lives. May God Bless our Nation with more Christian mothers.

Rev. W. H. V. Walker in closing, spoke of the importance of "Building on the Rock" and preserving the foundations from destruction. Christian homes have a vital faith.

Special music was given by the Juniors. The choir sang, "Our Mothers."

Among the lovely spring flowers in the church was a plant placed by Mrs. Don Campbell in memory of her mother, Mrs. W. H. Rollins and Mrs. Jas. Campbell.

MRS. ALBERT DION

Funeral services for Mrs. Albert Dion, of Tweed, were held from the home of her son, Joseph Dion, of Tweed, to St. Catharines' Church on Monday.

The Rev. J. L. LaMarche, of Stirling, for whom the deceased was housekeeper, sang Solemn Mass at the church with the Very Rev. Dean Shannon as deacon; Rev. J. W. Buckley as master of ceremonies. The Rev. Dean L. B. Garvin and the Rev. J. A. O'Neill were in the sanctuary.

The bearers were Fred Rashotte, Stewart Lessard, Norman Champagne, Wilfred LeSage, Anthony Craigen, Alphonse LaJoie.

Interment was in St. John's Cemetery.

JAMES HERBERT THIRD

Following a lengthy period of ill health, James Herbert Third died at his residence, Front St., on Saturday, May 16th.

Born in Seymour Township, the son of the late George Third and Margaret Eagleson, he was in his 68th year. Coming to Stirling some sixteen years ago from Seymour Township, he followed the occupation of blacksmith until his retirement due to ill health. He was held in high regard by a large circle of friends who deeply regret his passing. In religion he was a member of St. Andrew's Presbyterian Church.

He is survived by his widow, the former Clara Stephens, and three brothers, Alfred, California; Henry, Fort Erie, and Thomas, Florida.

The funeral took place at his late residence at 2 p.m. on Monday, with Rev. R. R. Bonsteel of Rawdon Circuit, officiating due to the illness of Rev. W. H. V. Walker.

The pallbearers were Messrs. Ray Mallory, Jared Hannah, Thos. McGee,

Ivan Caldwell, Wm. Vandy and Fred McDonell.

Interment Burnbrae Cemetery.

WILLIAM J. PREST

William J. Prest, Ivanhoe, died at his home on Tuesday, May 19th.

Born in and a resident of Ivanhoe all his life, he was the son of the late David and Anne Prest. He had been ill for the past year.

He is survived by two sisters, Mrs. Albert (Gertrude) Tummon, of Belleville, and Miss Cora Prest, of Ivanhoe, and one brother, Stanley, of Ivanhoe.

A farmer, he was a member of Belvoir United Church.

Montreal Man Wins Potato Trophy Design Award

The committee of judges appointed by the Canadian Horticultural Council, announced that J. M. Rae, 231 St. James Street West, Montreal, submitted the winning design for the trophy representing the World's Champion Potato Grower. The trophy will be presented to the successful grower and exhibitor during the Royal Winter Fair.

Mr. Rae's design was selected as the best out of 44 submitted from nearly all the provinces and two from the United States. Mr. Rae will receive the \$50.00 award offered by the potato industry, and who are also providing funds for the trophy.

The committee reports that interest in the competition was widespread. One suggested design came from an 8 year old girl and another from a parish priest in Virginia. Many of the competitors were professional artists.

Several of the designs stressed the importance of potatoes from a health standpoint but nearly all incorporated such points as the value of the potato crop and its importance insofar as the economic welfare of the country is

Co-Operation of Farmers Asked For June Survey

Forms for the June survey of crops and livestock are being mailed by the Dominion Bureau of Statistics to farmers and will be in their hands about June 1st.

The Ontario Department of Agriculture stresses the importance of this survey and urges all farmers to complete the form and return it in the postage free envelope supplied. Widespread response from all districts and farm types is required for a good measurement of the farm situation.

Statistics on agricultural production are essential in drawing up policies to improve and further the interests of farmers. Farm organizations use this information in their presentations to governments and commissions on behalf of the farming population. Businesses and services that deal with farmers require up-to-date figures on production trends in planning their future operations and many farmers themselves use such information in their farm management decisions.

Individual replies are strictly confidential and are not related to taxation of any kind. Figures are grouped for areas and farm types to get county and provincial estimates which will be published.

St. John's Ladies' Guild

St. John's Ladies' Guild held their regular monthly business meeting on May 5th in the Parish Hall. Mrs. B. Woodbeck presided and opened the meeting with the hymn, "For The Beauty of the Earth," followed by prayer.

Mrs. Graver gave the Secretary's report and Mrs. E. Morrow, the Treasurer's report. Business was discussed.

Mrs. Woodbeck called on Mrs. H. C. Secker and Mrs. Gould to take charge of the programme. Mrs. Andrews, the guest speaker, gave a fine talk on conditions in England during the War and her trip over to Canada, which everyone enjoyed very much. Mrs. H.

Rodgers gave a reading, "The Path To Homo," which was very interesting. Mrs. Secker put on a contest with Mrs. Ash and Mrs. Villette assisting. This caused some merriment among the ladies. Mrs. Secker closed the meeting with prayer.

A dainty lunch was served. Mrs. J. B. Belshaw and Mrs. M. Tanner were chosen to take charge of the June meeting.

First Baby Chick Show

British Columbia has staged what is believed to be the first Baby Chick and Poult Show in Canada. A three-day show, sponsored jointly by the West Coast Poultrymen, a local association of poultry producers, and the New Westminster Kiwanis Club, was held at New Westminster, B.C.

Classes for Canadian R.O.P. Pedigree, R.O.P. sired and Approved chicks were open to all comers. Approximately 70 chick and 17 turkey poult entries were received. Each entry consisted of 25 chicks or pouls. Judging was done by J. H. Nicholls, of Tacoma, Washington, using the American Poultry Association score card. Mr. Nicholls, an A.P.A. judge of wide experience, reported the New Westminster Baby Chick Show as the best he had seen.

The influence of Record of Performance on quality in chicks was indicated by the fact that out of nine championships awards eight went to R.O.P. breeders, although they had less than 50 per cent of the total chick entries (29 out of 70). An indication of the general vitality of the entries was apparent when only five chicks and three turkey pouls died from more than 2,300 on display.

The chicks were displayed in glass-framed pens, 16 x 32 inches, with a heat lamp for each two pens. Special exhibits featured coloured chicks of every hue. The B.C. Baby Chick Association had a glass-topped incubator with chicks hatching every day. Two home economists gave a cooking demonstration each afternoon.

Trevor Hamill, Manager Ontario C. of C., Addresses Local Chamber

Dinner Meeting Held In Sterling Hotel On Friday — Scenes of Rockies Shown

"The Chamber of Commerce should be regarded as a co-ordinating body for all activities which are of a community building nature and should have the support of every public-spirited citizen", stated Trevor Hamill, Manager of the Ontario Chamber of Commerce in an address to the local chamber at its quarterly dinner meeting, held in the Sterling Hotel, on Friday evening last.

President H. R. Tompkins welcomed the guests and called on D. R. Patterson, secretary, to introduce Jack Gair, Secretary of Wellington Board of Trade, who in turn introduced the guest speaker of the evening.

"Any successful Chamber should and does plan its activities in the light of the needs of the community. You can get suggestions through your newspaper as to things that Stirling needs, from your members, and through close co-operation with other civic bodies such as Service Clubs, Town Council, Legion, etc. Look carefully into any suggested project — Get the facts — Make a survey if necessary — Then you are on sound ground in any promotional efforts," stated Mr. Hamill.

Industrial
Speaking of industrial promotion, Mr. Hamill, said it should be borne in mind that Industrial Promotion is probably the most competitive activity today, and the Industrial Committee of the Chamber of Commerce will need the whole-hearted co-operation of all your membership to ensure that something concrete in the way of a new industry may result from your efforts.

Civic
Turning to civic matters, the speaker reminded his audience that anything you may try to accomplish in the way of a civic program, will only be accomplished through close co-operation with your elected municipal council. The Chamber Officers and Directors should bear in mind that activities in this field are very much in the realm of public relations. You are selling ideas, first to your membership, then to the public at large and finally to the elected representatives. The basic plan of get the facts, do a survey and be sure of your ground, are of vital importance in this field.

Agriculture
Agriculture is one of the more important industries, with over 3,000,000 people in Canada who are rural residents.

"The interdependence of Agriculture, commerce and industry in 1953 makes it imperative that there be mutual understanding of one another's viewpoints," continued the speaker.

This can be accomplished through get-together conferences, and functions. Work on conservation is a part of the Ontario Chamber of Commerce platform. He also urged Stirling Chamber to work with the local Agricultural Representative and aid and assist existing farm organizations, but cautioned against overlapping its activities.

Retail Activities
The speaker congratulated Stirling on bringing their organization into the chamber. He outlined the duties of the Retail Merchants Committee and suggested as projects: Better Business Bureau, Controlling hawkers and peddlers, and Solicitation Control. The Chamber can act as clearing house, have canvassers clear with Secretary or Committee Chairman, establish that campaign is bona-fide.

Under Promotional projects, Mr. Hamill suggested Christmas and Easter shopping, Dollar Days, and Co-operative advertising campaigns.

In the evening a social hour and banquet was enjoyed by all in the Rexall Suite. Mr. Ross Hermiston, local Rexall Druggist and Mrs. Hermiston attended this anniversary occasion.

Shower Held For Bride-To-Be

A miscellaneous shower was held on Friday evening, May 15th, at the home of Mrs. Grant Stapley in honour of bride-to-be, Miss Beverley Prince. The evening was spent in playing cards, with Evelyn Lancaster winning high score and Lois Irish, low score.

A short address was read by Denis Burgess and Beverley was presented with many lovely gifts. After a suitable reply by the bride-to-be, a delicious lunch was served by the hostess assisted by Mrs. Robert Anderson and Mrs. Earle Green.

Portrait of Queen Hung In P.O.

An oil painting reproduction of Her Majesty Queen Elizabeth II was hung on the north wall of the Post Office lobby by Postmaster F. W. Houchin this week.

The portrait was done in England by Margaret Lindsay Williams, who is considered to be Britain's most famous living painter of Royalty. She is, in fact, known to most Britons as the "Painter of Queens". No stranger to the existing Royal family, she has on at least three previous occasions, done Her Majesty's portrait. She has painted all of the reigning monarchs from the time of Edward VII. The fact that she has been painting Elizabeth since she was a very young child is undoubtedly the reason for her ability to capture the minute, yet sensitive characteristics which endear her to us all. Her Majesty wears in the portrait, a ball-gown of blue and gold brocade, designed by Hartnell especially for the Royal tour of Canada. Miss Williams had told the Queen's Lady-in-waiting that she would like to make the portrait "A regal painting". The Queen obliged and appeared for the sitting wearing a diamond tiara, a diamond necklace, the Ribbon and Star of the Garter and on her left wrist she wears a platinum bracelet watch which is one of her favourite pieces of jewellery.

"OPEN HOUSE" AT HIGH SCHOOL

"Open House" at Stirling High School last night drew a large crowd of parents and interested citizens of the village and district. The visitors totalling well over three hundred, were welcomed by Principal J. L. Good, who also had charge of registration.

Displays of shop work and Home Economics were the centre of attraction while films on Agricultural Projects carried out by the pupils were shown. The work being carried on in the Science Department also proved of interest. Members of the staff were present and assisted in displaying the work of the students.

Mr. Rollins was away at work at the time and the cause of the blaze is unknown. Little damage resulted.

I.O.D.E. Afternoon Tea Successful

Home of Mrs. A. Fraser Tastefully Decorated — Four Generations Present

A lovely afternoon tea was held by members of the I.O.D.E. at the home of Mrs. Albert Fraser, John Street, on Thursday last. The rooms were tastefully decorated with baskets of lilac and tulips.

The guests were welcomed by the hostess, Mrs. Albert Fraser and the Regent, Mrs. R. T. Burgess and were invited to the tea room or the garden as they preferred by Mrs. Clare West. The tea table was centered by a beautiful arrangement of tulips and double bridal rose spires, and pale blue candles and dainty serviettes. Officiating at the silver tea service were Mrs. Earl Luery, Honorary Regent, and Mrs. H. Rennie, Regent of Marmora Chapter.

The guests were served by Mrs. R. Vandervoort, Mrs. B. Bastedo, Mrs. Gilbert Finkle, Mrs. Ralph Utman, Mrs. Carl Potter, Mrs. Donald Francis and Mrs. Ed. Warren. The home cooking table was in charge of Mrs. Wm. Bolte and Mrs. Everett Ketcheson and was well patronized.

A number of guests were present from the Marmora Chapter who especially remarked on the beauty of the garden with its lovely blooms of tulips.

A highlight of the afternoon was the presence of four generations from one family. Mrs. Earl Luery, Honorary Regent, her mother, Mrs. R. P. Coulter, her daughter-in-law, Mrs. Robert Luery and grandson Donald Luery.

The I.O.D.E. thank all who helped with the arrangements of this successful tea.

Public Speaking Contest Held At Public School

In a closely contested public speaking competition in the Public School on Tuesday night under the supervision of Inspector G. Nelson of the Centre Hastings Inspectorate, honours went to Raye David, daughter of Mr. and Mrs. Ira David, a pupil of Rawdon S.S. 6. The subject of her address was "The Dowager Queen Mary."

Wendy Warren, daughter of Mr. and Mrs. Edwin Warren, of Stirling, was second with "The Life of Queen Elizabeth."

These two scholars will join winners of other sections of the area in competition for the inspectorate championship at Tweed in the fall.

Judges were Col. R. Vanderwater, Percy Ray and Rev. H. C. Secker. Dr. E. A. Carlton was chairman.

Heather Rodgers rendered a solo, accompanied by Mrs. C. Rodgers and Inspector Nelson gave a brief address commending the contestants who were fifteen in number and represented the Public Schools of Rawdon Township and Stirling.

Miss Jean McIntosh, Bride of Month Honoured at Social Gatherings

The spacious home of Mr. and Mrs. Sheldon McIntosh was decorated with pink and white streamers and bells on the festive occasion of a miscellaneous shower by members of River Valley community for their daughter, Wendolyn Jean, a May bride.

About 60 friends were in attendance and this included a small representation from St. Andrew's Presbyterian Church, the church home of the bride.

Mr. Jack Bush was master of ceremonies and spoke words of wedding wishes for happiness along the matrimonial voyage to the young couple. Mrs. Percy Utman officiated at the piano for several rounds of assembly singing, which opened with "The Maple Leaf."

Readings, suitable for a prospective bride and groom were given by Mrs. Louis Rodgers, Mrs. Ross Bush and Mrs. P. Utman. Miss Grace Heasman delighted with a piano solo. Miss Heather Rodgers gave a vocal solo,

accompaniment.

Mrs. Percy Craighead gave an oral address on behalf of St. Andrew's ladies and presented Jean with a round mahogany lamp table.

Mrs. Edward Heasman read an appropriate address on behalf of the River Valley community and the Misses Evelyn Bush and Adeline Bush presented Jean and John with a large assortment of miscellaneous parcels. These were opened and duly admired, after which Misses Dorothy Richardson and Joanne Heasman carried the nice assortment of gifts to the display table.

The bride's wedding gifts were also shown and her hope-chest articles. Refreshments were served with best

wishes of the group to the young couple who were married on Saturday of last week.

Mrs. Chas. Vance Entertains

On the evening of May 4th, a number of friends of Mrs. Sheldon McIntosh and Jean, with Jean as special guest, gathered at the home of Mr. and Mrs. Chas. Vance and enjoyed pictures of England, Denmark and Spain and of our own local scenery shown by Miss M. E. Bateman, a sister of Mrs. Vance.

During the evening, a booklet "Advice to the Bride" was made by guests and presented to the future bride, Jean.

Mrs. Good then spoke a few well-chosen words, saying Jean was one of the first of Stirling citizens she had spoken to when she first came to Stirling. Jean was then presented with a silver entree dish from the guests along with a pair of pillows from Mrs. Jones, of Marmora.

A luncheon was then served.

China Shower

Mrs. Jack Bush, River Valley, entertained at a china shower in honour of Miss Jean McIntosh, a bride of the month, on Friday evening, May 15th. Mrs. Roy Bush and Mrs. Lindsay Sills were co-hostesses. The guests numbered some twenty and included several former school chums of the bride-to-be.

A short programme of contests and games was enjoyed after which an address was read by Miss Barbara Robson, of Belleville, and the guest of honour was presented with a beautiful array of gifts. Jean very graciously thanked the donors, after which dainty refreshments were served. A social hour brought a very pleasant evening to a close.

James Irwin Dies

James L. Irwin, 75, former secretary of the Central Ontario Cheese Makers Association, died at Belleville Friday night.

Mr. Irwin started the famed British Empire Dairy and Cheese Show which at one time attracted entries to Belleville from all parts of the world.

A former cheesemaker, he became dairy instructor and inspector for this district. Later he was appointed as chief grader by the Ontario Government, a position he held until his retirement a few years ago.

He was a native of Campbellford.

Five-year-old Paul Duncan, son of Mr. and Mrs. Arthur Duncan, of Bates, and formerly of Stirling, suffered painful injuries when he fell and struck his lower jaw on the edge of a garbage container.

He was rushed to Belleville Hospital where eight stitches were required, four above and four below the tongue. He was later allowed to return to his home.

Geo. Stanley Winner of Draw

The drawing for the calf donated by Frank Cosbey, of Bonarlaw, in aid of Marmora Artificial Ice Fund took place at the Plaza Theatre, Marmora, on Tuesday evening of last week. The holder of the winning ticket, No. 546, was purchased by Mr. Geo. Stanley, of Marmora. The draw was made by Mary Louise Brady, with Jack Grant holding the container in which the stubs had been placed.

Entered Into Rest

ALEXANDER SHARP

Death occurred at the Kingston General Hospital on Friday morning, May 15th, of Alexander Sharp, son of the late John M. Sharp and Frances Grey, of Rawdon Township, in his 83rd year. Mr. Sharp lived all his life in Hastings County until about five years ago when he and his wife moved from Frankford to Kingston to be near their only daughter. He was a member of Cooke's United Church, Kingston, at time of demise.

Rev. J. Houston, pastor, assisted by Rev. Dr. W. H. Cliff, former pastor, conducted the burial services, with Mrs. E. Laschinger presiding at the organ playing the old favourite hymns the deceased loved to sing during his life.

He leaves to mourn his wife, a daughter, Mrs. Harvey McNevin, of Kingston, a son, Harry S. Sharp, Ottawa. Five grand children and nine great grand children; also one brother, Charles, of Consecon and one sister, Mrs. B. McMullen (Rose), of Winnipeg.

The pallbearers were all nephews, Lorne White, Stirling; Cyril McMullen, Belleville; Kenneth Massey, of Foxboro; Sherwin Cronkright, of Holloway; Donald Sharp and Gerald Sharp, of Campbellford.

KEMP — HAGERMAN

On Saturday, May 2nd, St. John's United Church, Campbellford, was the setting for the wedding of Uretta June Kemp, daughter of Mr. and Mrs. Wm. Kemp, and Douglas Karl, son of Mr. and Mrs. Kenneth Hagerman, of Burnbrae. Rev. Dr. D. M. Smith officiated the ceremony.

Miss Anne Nichols presided at the organ and played softly during the service and during the signing of the register. Given in marriage by her father, the bride was lovely in a grey suit with pink accessories and a corsage of pink roses.

Later the bride and groom left for a trip to Niagara Falls and Rochester. Among the many special guests that attended the wedding was the groom's great grandmother, Mrs. Rebecca Sine, of Stirling, who is in her 90th year.

accessories, and a corsage of pink carnations.

James Hagerman, brother of the groom, was groomsman. The ushers were Douglas Kemp and William Billen, Burnbrae.

For the reception at the home of the bride following the ceremony, the bride's mother chose navy blue sheer with beige accessories and a corsage of red roses. Mrs. Hagerman, mother of the groom, was dressed in a navy blue gown with white accessories. Her corsage was red roses.

Miss Eunice Kemp, Toronto, sister of the bride, was maid-of-honour. She was attired in a blue suit with white year.

Rev. R. R. Bonsteel conducted the service. After dedicating the flag, he used the story from Exodus of the Lord appearing before the Children of Israel as a pillar of smoke by day and a pillar of fire by night, and stressed the importance of having a symbol to follow. The Union Jack is such a symbol, and since its three crosses, those of St. George, St. Andrew and St. Patrick, were all originally Christians, it is particularly appropriate that the Union Jack be in our churches, reminding us of our good fortune to be members of the British Commonwealth and our responsibility to bring the traditional virtues of courage, humility and fair play into our everyday lives.

Prayers for peace and the recession of the colour party and guests out of the church, closed the inspiring service.

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

Centennial Year at St. Paul's has begun. Next Sunday at 11 a.m. the work of the Sunday School will be marked by the Observance of the Sunday School Anniversary. A former pupil, now the Rev. Morgan Rowland, of Brockville, will occupy the pulpit. There will be special singing by the school — a great service is anticipated.

Ministers Needed

The presence of Mr. Rowland reminds us that the Stirling area should produce some additional candidates for the ministry. Our brightest young men are specially challenged to lay their lives upon the altar of service in the ministry of the Christian Church.

Coronation Service

This historic event will be marked by a service of unusual power and promise at St. Paul's. Rev. A. M. Laverty, B.A., B.D., Wartime Padre and former Minister will be the guest speaker. The church will be appropriately decorated.

Guest Choir

The sweet voiced Junior Choir of the Timothy Eaton Memorial Church will occupy the choir loft while the St. Paul's and Royal Choirs will be seated in the church gallery. For this feast of Christian pageantry, praise and the word every sitting should be filled. Worshippers are well advised to come early.

Coronation Music

Long months of practice by all choirs has produced much of the music to be used in the Abbey at Westminster including the following numbers by the guest choir: "All Hail The Queen," by the famous Canadian composer Dr. Healey Willan; "The Queen, O God," by the brilliant David Ouchterlony; "Come Let Us All This Day," by Bach, and "Salute," by Boyce. Mrs. Diana Reynolds will preside at the organ console and conduct the Timothy Eaton Memorial Church Choir.

St. Paul's and Royal

These choirs will interpret the historic Coronation Anthem (from the church gallery) "I Was Glad When They Said Unto Me," by Parry. The special salutation for Elizabeth the Second will be sung as by the boys' choir of Westminster. A small portable organ will be placed in the gallery where Mrs. Baker will direct the Stirling Chorus.

Pageantry

The pageantry of color will be revealed in the altar decorations and flag bordered auditorium. A special service order in purple ink on which has been printed a replica of the Coronation chair will be available for all worshippers.

Queen's Crown

The exact replica of the Coronation Crown has been kindly loaned by Mr. Paul Mercier of Belleville.

Prayers and Orders

Special prayers of Thanksgiving and Intercession will be used. An address of loyalty will be read and an order of dedication observed.

At Carmel

The Festival of Coronation will be marked by the use of the special service order issued by the United Church of Canada. Copies have been obtained for every worshipper.

Piety Hill

The Cottage Meeting held last Wednesday at the home of Mr. and Mrs. Clare West on "Piety Hill," Stirling, was a happy gathering. The lovely voices of children mingled with adults in Christian praise.

A quaint "Flower Carol" was sung by Misses Jean Ann Mayhew, Joan Fraser and Sandra West, with Mrs. F. Jeffrey accompanist. Miss Susie and Master Billy West sang, "Holy Spirit Hear Us" and in the after fellowship hour Miss Susie West sang a little festival solo.

Young Pianist

For this meeting Miss Sandra West ably played the piano. Elder C. E. Macklin presided and Elder Wm. C. West read the Lesson. Prayers were offered by Elders Macklin and Carlisle and Mrs. Macklin.

Mrs. Lansing Speaks

In a message rich in illustration, Mrs. Clifford Lansing spoke on "Building." Sparks from her anvil included:

A Christian should always work with a construction gang rather than a wrecking crew.

God made a perfect plan for a perfect world.

Some build houses some build homes.

God has a plan for every life.

When there is no time its the time to take time.

Take time for God. It is life's only lasting investment.

The life of service is the only life that will be remembered.

We need to know God as a loving father to whom we may go with our problems and frustrations.

Do you add to the strength or weak-

ness of those about you?

Don't say there is nothing I can do. Even a clod can work for God.

God does not send angels to do what men can do.

Social Hour

A delightful social hour was enjoyed by all present. Mr. and Mrs. West graciously welcomed and made all guests feel at home.

Young Marrieds

A small but devoted group under President Edward Reynolds did an excellent cleaning job in the Sunday School Hall last Wednesday. We saw

in the company Mr. and Mrs. Reynolds, Mr. and Mrs. Herbie Stewart, Mrs. Roy Tucker, Mrs. X. F. Mayhew and Mrs. Edwin Warren. Given another night the job could be completed.

Ridge Road

The Cottage Meeting this week will be held at the home of Mr. and Mrs. Frank Wood on the Ridge Road on Friday, May 29th at 8 p.m. with Elders Volney Richardson and Edwin Warren in charge.

Birthdays

Happy Birthday was sung for Jane Bailey at St. Paul's and Mrs. Helen Neal and Mr. Arthur Couch at Carmel.

Carmel Anniversary

Col. Putt was the guest speaker at the Carmel Sunday School Anniversary. A children's choir sang a special number as did also Miss Dawn Hubel. It was a good beginning with a record Sunday School attendance. Watch for Carmel's Sunday School Anniversary in 1954.

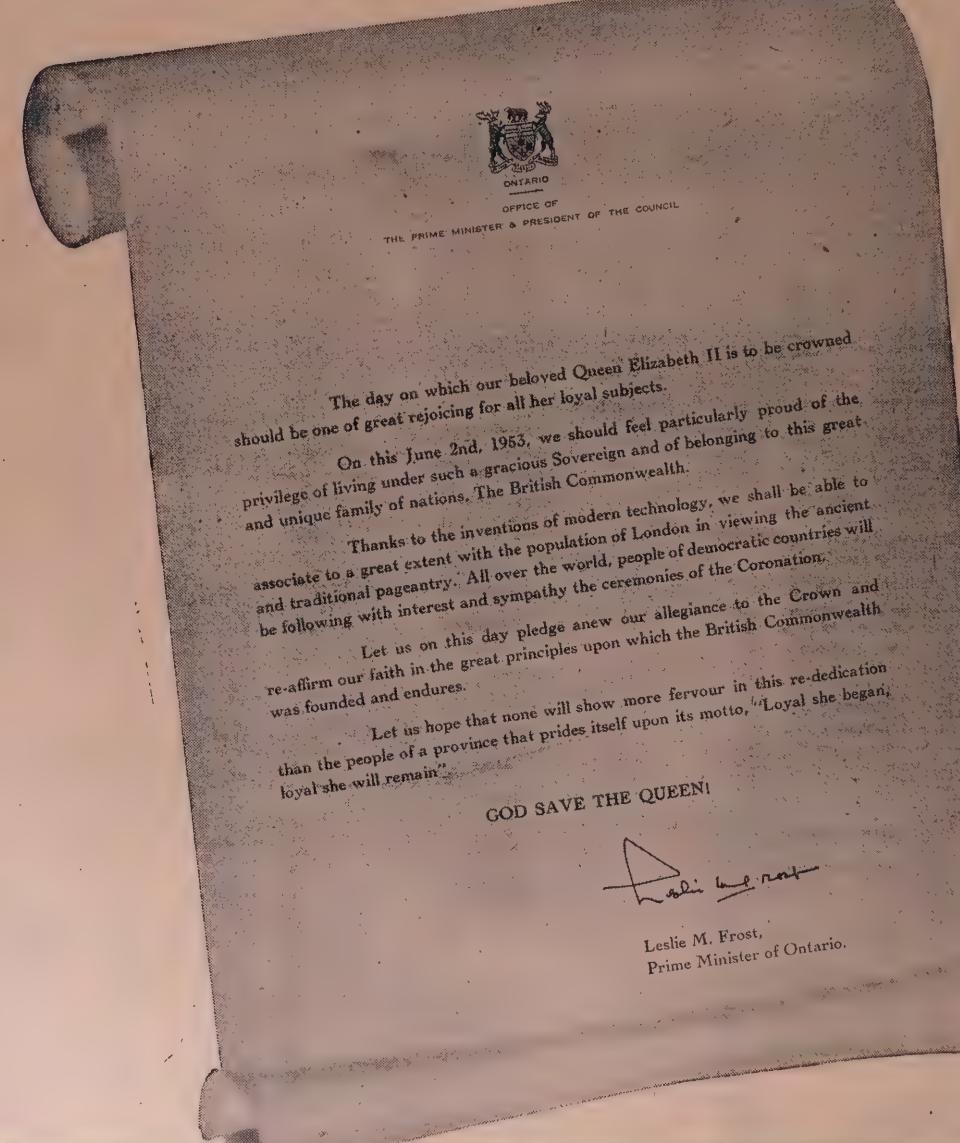

Marriage Bans

For the first time in the history of Carmel Church, marriage bans were read last Sunday.

Our Queen is Crowned

The day on which our beloved Queen Elizabeth II is to be crowned should be one of great rejoicing for all her loyal subjects.

On this June 2nd, 1953, we should feel particularly proud of the privilege of living under such a gracious Sovereign and of belonging to this great and unique family of nations, The British Commonwealth.

Thanks to the inventions of modern technology, we shall be able to associate to a great extent with the population of London in viewing the ancient and traditional pageantry. All over the world, people of democratic countries will be following with interest and sympathy the ceremonies of the Coronation.

Let us on this day pledge anew our allegiance to the Crown and re-affirm our faith in the great principles upon which the British Commonwealth was founded and endures.

Let us hope that none will show more fervour in this re-dedication than the people of a province that prides itself upon its motto, "Loyal she began, loyal she will remain."

GOD SAVE THE QUEEN!

St. John's W.A.

The May meeting of the Senior Woman's Auxiliary of St. John's Church was held in the Parish Hall on Tuesday the 26th, with a good attendance.

The President, Mrs. H. Rodgers, opened the meeting with Hymn 350, followed by all members singing, "God Save The Queen." Rev. H. C. Secker read the Litany and the Members' Prayer was repeated in unison. The Bible Reading was read by Mrs. G. Noble.

Mrs. Earl Morrow gave the Treasurer's report, followed by Mrs. E. Kent giving the Dorcas report and Mrs. M. Tanner on the J. A. Girls Work.

Mrs. Walter Wright gave a talk on the Study Book on China in the absence of Mrs. Charles Vance who was unable to attend. Mrs. E. Cooke gave her report of the Annual Meeting, which was held in Kingston on May 6th and 7th.

Mrs. Earl Morrow, who was in charge of the programme, gave a reading, "Coronation Thanks," a prayer and a Coronation Quizz. She also played, "Paraphrase of the Lord Is My Shepherd." Mrs. H. C. Secker moved a vote of thanks to all the members that helped make the meeting a success. The meeting was closed with Hymn 788.

Attention Plot Owners!

A bee will be held at Eggleton Church Cemetery on June 3rd. At noon a 75 cent dinner will be served at the church.

WOMEN'S INSTITUTE

STIRLING W.I. CO.

The regular meeting of Stirling W.I. will be held at the home of Mrs. E. Foster, June 3rd, at 8 p.m. Roll call, "A nice thought of the Queen." Delegates to Guelph Conference and to District Annual will give their reports. Visitors always welcome.

by Mr. Poynter.

The theme of the convention program was "The Bible, Our Bible, My Bible". The delegates heard three outstanding addresses on the theme. Rev. W. Tyson, of Ivanhoe, spoke on "Bible in Culture"; Rev. Irwin, of Stirling, "The Bible in the Home" and Rev. Jas. Poynter, "The Bible in Personal Living".

Mr. Jack McMurray, of Albert College, brought a brief but inspiring closing message and pronounced the benediction. The ladies of the Church served dinner in the basement of the church.

Following the worship service for the afternoon session, Lieut. Brown, of the Salvation Army, of Tweed, gave a demonstration of "How to Teach a Hymn." Rev. R. L. Norman had charge of the installation of officers and those installed to office were: President, Mrs. Milton Shaw; 1st Vice President, Mr. Kenneth Holland; Secretary-Treasurer, Mr. Alex McCurdy.

The 1953 department superintendents were later nominated and will at a later date be installed in office. The reason for this new venture was brought out in the discussion period when it was deemed advisable to make a careful selection of department officers and have them understand more thoroughly their duties and that they should be more active. Mrs. Warren Harlow, president of the Sidney and Trenton Association was present and gave a brief address.

Mr. H. R. Burke and Mr. Don McInroy gave their report as resolution committee. Lieut. Brown gave a solo "This is My Task". The closing address, "The Bible Lives Anew", was given by Lieut. Peterson, of the Salvation Army, of Tweed, in which he warned delegates to beware of false teaching of the Bible.

An invitation was received to hold next year's convention at the White Lake Church. Delegates were present from each of the nine Sunday schools in the Township.

West Huntingdon Sunday School Convention

The annual Sunday School Convention of Huntingdon Township was held on Wednesday at St. Andrew's Presbyterian Church, West Huntingdon. The morning worship service was conducted by members of the Moira United Church Sunday School with Mr. Don McInroy presiding. Mr. Wesley Farrell assisted by offering prayer. The president of the Association, Mrs. Milton Shaw, presided over both the morning and afternoon sessions in a very efficient manner. Mrs. John Wallace superintendent of St. Andrew's Sunday School, welcomed the delegates. The business period consisted of the treasurer's report and appointing of committees.

Miss Janet Rodgers, Bannockburn, who was to assist with the program, was detained and Rev. Jas. Poynter, of Madoc, in a most capable manner, conducted this part of the program in Miss Rodger's place. The use of choruses in the Sunday School was explained by the speaker and then a number of choruses were sung. Object teaching was also demonstrated

by Mr. Elliott, president, opened the meeting with prayer, and appropriate meditation and presided over the business portion of the meeting.

Ever alert for news items regarding her department of Christian Stewardship, Mrs. A. Armstrong gave a splendid reading on the subject, closing with a poem by Edgar Guest. The President reminded those present of the joint W.A. and W.M.A. Service to be held on Sunday morning, June 28th, when Judge Mott, formerly of Juvenile Court, Toronto, will be the guest speaker.

The programme was in charge of Mrs. H. Martin, and the theme for worship was, "A great door and effectual is open". Mrs. W. Jones read

Sheep Sheering

Plans have been completed for a Sheep Dipping Day, at the farm of Mr. Howard Finch & Son, west of Springbrook, on Thursday, June 11th. The day is being arranged by the local Agricultural Representatives, in co-operation with the Production Service of the Canada Department of Agriculture.

The approximate cost to the farmer for dipping and drenching will be 5 cents and all farmers are urged to consider the value of this practice of dipping and drenching. Unthrifty sheep will not pay their way and leave profits that the thrifty and well cared for sheep will.

This very informative playlet was much enjoyed by the members, and was given again at River Valley W.M.A. as part of their May program.

THE MIXING BOWL
BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! Coronation will be a solemnly joyful event. While decorations and parades create a never-to-be-forgotten spectacle, every Canadian will repeat this hopeful prayer with sincere reverence: May the reign of Her Majesty Elizabeth II be prosperous, long and tranquil.

The second of June will begin early and end late in the evening for most families. To be around the radio or at the community celebrations plan easy-to-serve meals. Since the first broadcast begins at 5 a.m. E.D.T., and continues until noon, breakfast should be an easy-to-serve meal. On the previous evening, you can place a large can of fruit juice in the refrigerator. Beat eggs and a little milk ready for scrambled eggs. Also, butter a coffee ring and wrap in aluminum foil and finally set out paper serviettes, a tray of glasses for fruit juice and a tray of cups and saucers. Next morning de-

liver one person to serve juice, another to cook eggs in double boiler and serve in weiner rolls, someone else to serve the sweet cake and coffee.

For lunch heat canned soup—a combination of creamed celery and chicken. Have ready, double decker sandwiches of peanut butter and jam and some buttered bread or crackers on which the folks may spread a choice of cheese filling, meat paste or sardines. An easy dessert may be tarts or bananas or orange sections—something that can be eaten out of the hand so there's fewer dishes.

Dinner hour will be broadcast time again so plan on a casserole dish (tomato soup poured over previously cooked meat balls), hot minute rice and peas warmed in the oven with the meat. A regal looking dessert of flavoured gelatine topped with whipped cream—or ice cream sundaes in dixie cups—previously purchased and kept in the refrigerator for this meal.

TAKE A TIP.

Remember to order supplies ahead of time and give as many fellow workers the opportunity to listen to the radio as possible. Here is a tentative radio schedule of coronation.

5 a.m. to 1 p.m. E.D.T.—Coronation
2:30 to 3 p.m.—Church Service from Christ Church, Niagara Falls, Ontario.

3 to 4—B.B.C. Commonwealth hook-up, featuring address by Prime Ministers concluded with message from Prime Minister Churchill.

4 to 4:15—Post-Coronation address by the Queen.

4:15 to 5:30—A sound-picture of world reaction of Coronation Day from

the crowds outside Buckingham Palace to many points throughout the world.

5:30 to 6:30—The national ceremony at Ottawa.

6:45 to 7:00—Address by Governor General.

7:00 to 8:00—Canadian Coronation Music.

8:00 to 10:00—Revised broadcast of Coronation and Queen's address.

10:00 to 12:00—Coronation concert.

4½ tsp. baking powder

1 tsp. lemon

½ cup milk

5 egg whites

Into a large mixing bowl, sift first 3 ingredients. Drop in shortening; pour in 2 cup milk. Beat with whisk beaten 4 mins.; scraping bowl occasionally. Stir in baking powder, vanilla and egg whites. Beat 2 mins. longer. Stir in 1 tbsp. orange rind and a few drops yellow food colouring.

Place zinc jar rings on cookie sheet and insert baking cups in each. Half fill with batter. Bake in pre-heated oven of 375 degrees for 15 to 20 mins. Cool on cake rack.

Frosting: Combine ½ cup granulated sugar, 1½ tsp. white corn syrup and ½ cup water in a saucepan. Boil until syrup dropped from spoon forms fine thread. With electric mixer at high speed beat egg white until it forms peaks then pour the syrup over whites slowly beating until frosting

Responsive Psalm and Mrs. John Moorcroft gave a reading.

Mrs. John Jeffrey introduced this special speaker for the evening, the Rev. Keith Daniel, minister of Victoria Avenue Baptist Church, Belleville.

Mr. Daniel, who is a talented musician and singer, brought an unusual address on the subject, "The ministry of music." In addition to the address, he gave a number of solos to emphasize his remarks. The members showed their appreciation by the rapt attention given Mr. Daniel.

Mr. Philip Carr voiced the thanks for this splendid address. Mrs. Daniel also was present and spoke briefly.

Following the benediction, Mrs. Cooke and her assistants served refreshments.

Anniversary guests of Mr. and Mrs. Philip Carr were Mr. and Mrs. Frank Stapley, of Stirling, and Mrs. Joe Phillips, of Belleville.

Mr. Fred Haight, of Toronto, was a week-end guest of Mr. and Mrs. Geo. Ashley.

Rev. and Mrs. R. L. Norman and Barry were dinner guests on Sunday of Mr. and Mrs. Albert Ashley.

Rev. and Mrs. Keith Daniel, of Belleville, spent the tea hour Thursday with Mr. and Mrs. John Jeffrey and Mr. Clarence Jeffrey.

Lieutenant Brown, of Tweed, and Mrs. William Bray, of town, were Sunday guests of Sarah and Arthur Wilson.

Mrs. John Wallace spent the weekend with her mother, Mrs. Richard Haggerty at the home of Mr. and Mrs. Clifford Clancy, at Wellman's. All are sorry that Mrs. Haggerty is ill at present.

Mr. and Mrs. Elmer Post, Kenneth and Brenda, of Stirling, attended the anniversary services and spent the day with Mr. and Mrs. Howard Cooke.

Friends here were sorry to hear of the illness of Rev. W. H. V. Walker.

Mr. Ray Donnan has erected a new cement silo.

Anniversary guests of Mr. and Mrs. Alex McCurdy were Mr. and Mrs. Mac-Sharp and Colin, of Mount Pleasant; Mr. and Mrs. Don Sill and family, of Zion and Mrs. Sandy McCurdy, of Foxboro.

Recent guests of Mr. and Mrs. Philip Carr were Mr. Douglas Luer and friends and Mr. and Mrs. E. Brumwell and family, of Norwood.

W. Stephens Dies

Clerk of Seymour Township for 21 years, Wesley Stephens, Front St. North, Campbellford, died Friday at his residence. He had been in failing health for several months.

Seventy-one years old, he was born in Seymour Township, the son of the late Percy Stephens and Mary Grace Grills. His wife is the former Maisie Wheedon.

A resident of Campbellford for the past 40 years, Mr. Stephens besides being Town Clerk, has been secretary-treasurer of both the public and high school boards in Campbellford since 1919. Two years ago he retired from the position with the high school board when the school was taken into the East Northumberland High School Area.

WEED OF THE WEEK

SOW THISTLE CONTROL MEANS HARD WORK

Like many of our noxious weeds, Sow Thistle is another immigrant from Europe that is doing well for itself in Canada in spite of efforts to control it. Another appropriate name for this hardy creeping rooted perennial is Creeping Sow Thistle. Its roots spread in every direction sending up new plants at every joint. Wind borne seeds also do much to spread the weed over wide areas. Seeds have even been collected on windows of aircraft flying high above the earth.

The yellow scourge is persistent after it gets a foothold. Its presence is marked by showy yellow flowers two inches across. These appear in grain and cultivated crops, roadsides and other moist waste places at any time from June through September.

Grasshoppers are fond of the plant but their efforts at eradication in this part of the country have been meagre. Usually hard work and sweat and expert cultivation are required to control it.

Persistent cultivation or black sum-

merfallow are effective in reducing the infestations. The disk should not be used, however, as it cuts the root into small sections, each of which may send up a new plant. Cultivators and spring toothed harrows help in bringing the roots to the surface to dry out. Chemicals are effective in controlling top growth and seed ripening. One application of 2,4-D at 8 ounces actual acid per acre will usually accomplish this but several applications at 16 ounces of actual 2,4-D acid per acre will be required to kill the roots. Small areas can be cleaned with sodium chlorate but this method is expensive and also has the effect of sterilizing the soil for some time afterwards.

Hog Cholera At Breslau, Ont.

Hog cholera has appeared on the farm of Willard Cressman at Breslau, near Kitchener, Ont., it is reported by the Department of Agriculture at Ottawa. Of the 50 hogs involved, 21 died; the other 29 exposed and infected animals were slaughtered and disposed of by deep burial under the supervision of veterinarians from the health of Animals division of the De-

partment.

Officials of the Department are conducting a thorough investigation to ascertain the source of infection. Meanwhile all hogs within a mile radius of the Cressman premises are being protected with serum. In addition certain sales barns throughout Ontario, from which hogs are dispersed to farms, have been quarantined for inspection and for disinfection.

Canada has been relatively free of hog cholera, which is caused by a virus. There was a minor outbreak last year, another in 1946; in both cases the source of infection was improperly cooked garbage being fed to hogs.

In the United States hog cholera is ever present and widespread; therefore, for that reason, it is dealt with by vaccination. Hog cholera has never become established in Canada; consequently it is dealt with by slaughter of infected or exposed animals. Nearby animals are protected by the use of a serum, but vaccination with a live virus is prohibited. The cost of this system of protection has been small compared with the continuing burden of vaccination which would be necessary if the disease became established in Canada.

Hog cholera is not transmissible to humans.

Farm Home Struck By Lightning

Struck by lightning in a severe electrical storm which swept through the district about ten o'clock Thursday night, the farm house owned by Mr. and Mrs. Earl Tittensor, at Marsh Hill, 6th Concession of Sidney Township, was completely destroyed.

2, 4-D Not Toxic To Honey Bees

The use of the chemical 2,4-D in the control of weeds has become a fairly general practice in the last few years, especially in the Prairie Provinces. The herbicide is often applied to fields or roadsides where honey plants are in bloom. The beekeeper need not be alarmed that the weed killer will affect his honeybees, says P. Pankiw, Apiculturist, Experimental Sub-Station, Regina. In laboratory tests in which honeybees were held in small cages and fed 2,4-D in sugar syrup the results indicated that when a quantity of this material was taken over a period of several days it was toxic. The amount required to cause death, however, is considered to be much greater than would be encountered under field conditions.

Field trials were also conducted to determine the effect of 2,4-D when sprayed on such honey plants as alfalfa, sweet clover and mustard. No difference in mortality was noted between bees that were visiting treated areas and those bees from untreated areas, indicating that the 2,4-D was not toxic.

The number of bees on sprayed plants decreased very rapidly as the plants ceased to be a source of nectar. Although the 2,4-D did not appear to be toxic to bees under field conditions, beekeepers are advised to determine the extent of spraying in the areas surrounding their apiaries. If the foraging acreage is seriously reduced by spraying, they should move their colonies to more favourable locations.

Presbyterian Women's Missionary Society Annual Meeting

Mrs. J. W. MacDonald, of R.R. 1, Kingston, Ont., will be the delegate from Kingston Presbytery to the Annual Council Meeting of the Women's Missionary Society held May 26th to 30th in New St. James' Presbyterian Church, London, Ontario.

The meetings held for the purpose of reviewing the Society's accomplishments during the past year and plans for the future will feature several particular phases of mission work. The place of the Church in the world today will be examined carefully.

Miss Laura K. Pelton, Overseas Missions Executive Secretary and Miss Helen Bricker, National Girl's Work Secretary, have been abroad within the year. They will speak of the relationship between the Church of the West and the newer, "younger" Churches of the East and of the essential understanding needed among all Christian peoples, that the whole world may be bound together in peaceful fellowship. Two overseas missionaries, Miss Bessie MacMurphy, Reg. Nurse on furlough from India and Miss Dorothy Douglas, of Formosa, will tell definite examples of the work of the Church in these two areas.

Two home missionaries, Miss Ellen Douglas, Hospital visitor, Vancouver, and Miss Muriel Judd, missionary to

the Chinese — Montreal, will join Miss Frieda Matthews, National Missions Executive Secretary in telling the story of the Society's work in Canada. Rev. Michael Fesenko, Ukrainian minister, in Toronto, and Rev. Louis Nagy, Hungarian minister, Toronto, both of whom are editors of papers being directed to their own national groups will show the effectiveness of the printed word when they tell the far-reaching results their papers have both at home and abroad.

Miss Margaret Webster, Director of Organization, will be making her initial appearance in this new office in the Presbyterian Society and will explain the progress made by the Society with various age groups. She will also describe the Presbyterian Training Institute, an extensive training team programme being planned for the autumn of this year.

Centennial Year Opens At St. Paul's

(Continued from Page One) special guest speaker to mark the part of the Salvation Army in Stirling during the past century. The quiet sincere message of recognition of the Army's Christian Witness since it began in Canada and especially in these parts was related with a captivating countenance that shone with a glow of glory.

Open Air Service

Led by Lt. Col. W. Effer, the new District Officer, a grand open air service was held at the Stirling War Memorial Park. Praise by the band and personal testimonies were heard. Ministers of the United Church were glad to march with the Army through the streets of the village. Bandmaster Green was in charge and is to be commended for his fine leadership.

Ridge Road School

The pupils of this historic public school repeated in the church, portions of their religious instruction. The work of their teacher, Mrs. Eva McGee, is most praiseworthy. The boys and girls did her honour. Miss Carol Fargey gave an individual selection.

A new battery of ushers were used at the evening service. It was splendid to see these fine young men in action.

S. A. Message

The evening order of service contained a special message from Col. Effer, Divisional Commander, which read in part: "We consider it an honour to take part in these gatherings and rejoice over the completion of a century's ministry by the Church. The Salvation Army, whilst not resident in Stirling, continues its work of Evangelization throughout the length and breadth of the land and rejoices over thousands who are born into the Heavenly Kingdom. The Toronto Daily Star was represented at the morning service and Mrs. Percy MacMullen, who is the official Centennial Reporter, was on hand to glean everything of interest at both services. The Telegram carried a feature story on Stirling in its Saturday's issue. The News-Argus will report all highlights of the Centennial Year first hand.

Tests moisture seals For bearing protection

To deliver the power and performance expected and demanded of them, combines, tractors and power machines are precision manufactured from high quality materials.

But this carefully made machinery must work in heat, in cold, in dry conditions, in wet conditions, in gritty dust and clinging mud. On the Massey-Harris Test Track these trying

conditions are provided so that engineers may test Massey-Harris machines to check their ability to meet present-day requirements in field operation.

In engineering design and construction, Massey-Harris machines offer features and advantages, developed to help get work done easier, quicker and at less cost.

Jones-McIntosh
Nuptials Saturday.

White and mauve lilies and pink gladioli formed an attractive background in St. Andrew's Presbyterian Church, Stirling, on Saturday, May 23rd, at 2 p.m., when Gwendolyn Jean, daughter of Mr. and Mrs. Sheldon McIntosh, Stirling, became the bride of John Wilbert Jones of Marmora, son of Mrs. Clifford Jones and the late Mr. Jones. The Rev. W. H. V. Walker, pastor of the church, officiated.

Mrs. Allan Coons, of Belleville, provided the wedding music, and accompanied Mrs. Don McIntosh, sister-in-law of the bride, who sang "O Perfect Love," before the ceremony, and "Because" during the signing of the register.

Given in marriage by her father, the bride was charming in her ankle-length bridal gown of white Chantilly lace and net over white satin with strapless bodice under a fitted jacket, fashioned with long pointed sleeves. A tiara of seed pearls held her fingertip veil and she carried a white Bible with an arrangement of red sweet- heart roses and stephanotis.

Miss Margaret McIntosh was her sister's bridesmaid and wore an identical gown of lime green with matching headdress and carried a nosegay of yellow chrysanthemums, talisman roses, mauve sweet peas and stephanotis.

Little Lynn McIntosh, cousin of the bride, was flower girl, and was dressed in ankle-length mauve net over taffeta and matching pink bonnet and carried a nosegay of sweet peas.

Master Ross McIntosh, nephew of the bride, carried the wedding rings on a white satin pillow.

Mr. Wm. Jones, brother of the groom, was groomsman; Mr. Don McIntosh and Mr. Bert Gray were ushers.

The reception was held at the home of the bride's parents, which was beautifully adorned with tulips, roses and gladioli. The bride's mother, a

wearing copen blue crepe with pink accessories and corsage of pink carnations and stephanotis, received the guests, assisted by the groom's mother in navy and white figured silk and a similar corsage.

For travelling to the United States, the bride chose an ensemble of a red and black printed silk dress with a short-sleeved coat of white ottoman cord, and black accessories and wore a corsage of lily-of-the-valley and stephanotis.

Out-of-town guests were present from Toronto, Ajax, Marmora, St. Anne's, Belleville and Peterborough.

Upon their return, the happy couple will reside in Stirling.

Wellman's
Women's Institute

The May meeting of the Wellman's Women's Institute was held on the 20th at the home of the President, Mrs. Kenneth Tompkins.

The meeting opened with the Ode, followed by the Lord's Prayer. The roll call was answered by giving a Mother's Day verse. During the business period a donation of \$5.00 was given to the Salvation Army.

This was the Grandmother's meeting. Readings were given by Mrs. W. Sine, "Golden Weddings"; Mrs. D. Clancy, "The Maternal Argument" and Mrs. J. Dunham, "Spring Cleaning."

Mrs. G. Watson sang a solo, "My Mother's Prayers Have Followed Me" and Mrs. Wm. Matthews gave a piano solo. Mrs. O. Dracup gave a splendid topic entitled, "The Art of Living Well." Mrs. J. Carlisle conducted a jumbled word contest on "Things Grandmother Did and Wore." The meeting closed with the Creed and God Save The Queen.

The hostess and her committee served a lovely lunch.

French hybrid grapes are now being grown in the Niagara Peninsula for wine-making.
